School Board Gives Initial OK To Expense Budget Showing 33% Increase

By Linda S. Corbett

The school committee Tuesday night okayed on first pass an expense budget of \$3,420,039 for 1980-81, a whopping 33 percent increase over the current year's appropriation of \$2,555,283.

The figure caused Chairman Elaine Viehmann to note, "and this is only the small part of our budget."

Salary requests for next year are expected to be ready by the end of this week, and the committee may begin a first pass on them Tuesday night. (Salaries for 1979-80 total nearly \$9.5 million).

While they will also begin a second go-round on the expense budget Tuesday, with an eye toward major cuts, Committeeman Joseph Finn was quick to add this week that their largest account, plant operation and maintenance, shows a 50 percent increase all by itself.

Maintenance requests for next year, at \$266,335, are close to this year's \$263,000, but operation requests for next year jump to \$900,000 from \$500,000 — all on account of the energy crunch.

The committee had okayed on first pass a total of \$500,000 for fuel oil alone — or a

50 percent increase over what they estimate the total cost for this year will be. (They may decrease that by about \$75,000 on the next round, however, since the feeling in some circles is that oil will level off at less than the \$1.25 per gallon they plugged into the requests).

A total of \$210,000 was budgeted for fuel oil in 1979-80, though the administration now projects that due to the unexpected increases, they'll spend more than \$335,000 this year.

The committee, on first pass Tuesday night, knocked a quick \$51,000 off administrative requests for the instructional account, which covers textbooks and related materials, consumable classroom supplies such as paper and pencils, inservice and other professional improvement programs and the like.

The administration had asked for a \$138,000 increase to bring the account up to \$576,037 (from \$438,000 this year), and considered that only a down payment.

Asst. Supt. Charles Mitsakos said they would like a quarter of a million dollars more, but that they were only asking the

town to spend as much for instructional materials as they do to get their youngsters to school (next year's transportation budget now stands at \$586,000).

Finn objected to the increase, saying it was "way over and above anything that could be justified as inflation," and "more perhaps than warranted, considering the overall needs of the system."

He said that last year he had been very supportive of the idea of planned replacement of materials, so the instructional program "wouldn't become Maintenance Revisited."

But, he said, he felt the administration was "going at it with a little more gusto than I anticipated."

Mitsakos argued that the account has been "notoriously underfunded" in the past, and that some of the needs had come to light with the improvement of inventory control, as requested by the committee last year.

Supt. Kenneth R. Seifert added that "the needs are definitely there. They've been

Jewelry Store To Occupy Space In New Bank Building

Nazarian Jewelers, a prominent, long-time member of the Lawrence business community, will be moving to Andover about the first of June.

The Essex street jewelry, gift and watch store, is the first retailer to sign a lease for the new Andover Savings Bank building on Main Street.

Work on the new building, the first major addition to the downtown Andover area in many years, is progressing well, with the bank beginning to move into its downstairs quarters this week.

The retail, or commercial, outlets are planned for the upper, or Main Street portion of the building, with the bank occupying the lower space facing the parking lot and Central Street.

Robert Nazarian of the Lawrence jewelry store, said this week that plans are now being formulated for the new Andover outlet and that he was hopeful of an early June opening.

The signing of the lease in recent days,

has allowed Nazarian to begin working with architects on store layout, purchasing fixtures and merchandise for the new store.

He said he looked forward to joining the Andover business community and welcomed the opportunity to do so in the new Main Street building. Nazarian will also continue the downtown Lawrence operation, as well.

The jewelry store will occupy 1,894 square feet of the new building. Still in the process of negotiation is the leasing of two other areas consisting of 2,409 and 3,454 square feet respectively.

Negotiations to lease the additional space is being handled by Spaulding and Slye.

The bank's operations will be moved into their new lower floor space over the next two weeks, according to Richard MacGowan, ASB executive vice president.

MacGowan said there would probably be some inconvenience for a few days while

workmen complete come of the exterior and also equipment is moved into the new quarters, but that the problems would be minimal.

Office equipment was being moved in Wednesday, and mortgage and loan facilities were expected to be operational by the weekend. The remaining banking facilities to be located on the Central Street portion of the building, including the drive-up teller windows, are expected to be operating within the next couple of weeks, MacGowan said.

Selectmen Schedule Dog Hearing

The selectmen will hold a hearing on Wednesday, March 26 regarding an unlicensed dog owned by Donal Coleman of 91 High St.

Jane Pereira of 95 High St. appeared before the selectmen Monday night to complain that the dog is often left alone, tied up, and "barks non-stop all the time."

Pereira said she had filed a petition with the dog officer and believed there was nothing more she could do, until she learned recently that the dog is unlicensed.

Town Clerk Elden R. Salter told the selectmen that Coleman has

been told to register the dog, but has not yet done so.

Coleman and the dog officer will be asked to appear at the March 26 hearing, part of the next regular selectmen's meeting, Town Manager Jared S. A. Clark said.

Pereira, who said the dog's barking was "very bothersome," said she did not know if other neighbors were bothered by the dog.

Selectman James Abramson asked that the dog officer observe Coleman's dog several times before the hearing.

Foot Race Approved

The Knights of Vartan will hold a 10 Kilometer foot race starting at the high school on Sunday, May 18, with the selectmen's approval.

From the high school, the race will take the great circle route up Shawsheen Road, over Lovejoy and

eventually back to the school.

Selectmen gave their approval of the race to raise scholarship funds Monday night, subject to satisfactory arrangements being made with the police department.

15 Drawn For Jury Duty

The following 15 jurors were drawn by the selectmen Monday night: Mary Harriman, 51 North St.; Louis M. Bruno, 10 Shipman Road; John D. O'Brien, Jr., 7 Serenity Lane; Maureen S. McKenna, 10 Locke St.; Robert J. O'Brien, 6 Sandy Brook Circle; Ruth A. Fiske, 362 High Plain Road; Lawrence J. Halleran, 63 Lowell

St.; Shirley R. Levinson, 26 Birch Road; Virginia L. Mathias, 7 Brentwood Circle; Ven H. Shui, 39 Bannister Road; Eleanor A. Maietta, 22 Bannister Road; Gudrun K. Bruk, 120 Dascomb Road; Catherine A. Sagaser, 56 Chestnut St.; Donald F. St. Jean, 143 Chestnut St.; and Carl Hero, 25 Lincoln Circle (East).

Hearings Set On Bylaw Changes

The planning board will hold a public hearing on Tuesday, March 25, in the meeting rooms at 11 Essex St., on proposed changes in town bylaws, prior to making recommendation to town meeting in April.

Among the changes proposed are: altering earth removal regulations, changing dimensional requirements in certain zoning classifications and regulating historic districts.

School Board To Meet Tuesday

The Andover school committee will continue its examination of the budget for the next fiscal year,

when it meets next Tuesday night at 7:30 p.m. in the large group room at the high school.

Guys And Dolls Opens Tonight

The Andover High School production of the musical comedy "Guys and Dolls" will open this evening, March 13, at West

Junior High School Auditorium with curtain time at 8 p.m., and will continue on Friday, March 14 and Saturday, March 15.

Hibel Exhibit

Renowned Artist Edna Hibel will have a one-woman show at the Prestige Gallery, 36 Central St., Peabody, beginning March 22 from 3 to 10 p.m. and March 23, 1 to 6 p.m. Hibel is the only living American woman artist to have a museum dedicated in her honor.

Tickets will be available at the door for all performances and are still available at Thompson's Stationary Store, Main Street and Liggetts at Shawsheen Plaza.

Clarence Darrow, the famed lawyer, went to law school for only one year. He finished his education on his own.

Candidate Coffee

The Andover Council on Aging will sponsor a Candidates' Coffee Friday, March 21 at 10 a.m. at the Andover Senior Citizens Center, 11 Essex St.

Candidates for Selectmen, School Committee, Housing Authority and Moderator will make five-minute presentations followed by a general question and answer period.

Addressing Merchants

Amy Bernardin, president of the Andover Center Merchants, a division of the Andover Chamber of Commerce, greeted those attending the annual dinner last week at the Lanam Club. Rhys Kear, right, director of community development and planning for the town, was the principal speaker. Frank McBride, Andover Chamber president and Lawrence Smith, executive vice president of the Greater Lawrence Chamber also addressed the gathering which featured the presentation of the Retailer of the Year Award to John Zenevitch, manager of Macartney's.

Director To Be Roasted

Citizen League for Adult Special Services is planning "A Sizzling Roast For A Fantastic Host: Edward V. Coakley," March 29 in Central Catholic Memorial Auditorium.

A family-style catered Roast Beef Dinner will be served at 7 p.m. and will be followed by an original program skewering the Culinary Arts Director of Greater Lawrence Regional Vocational Technical High School. Dr. William R. O'Reilly will be roastmaster, other roasters will include Dr. Larry L. Larsen, Louis Gleason, Abe Bashara, Fred Tarbox, Joseph Sweeney, Dr. Michael Grassi, James Rurak, Henry Fredette, Howard Freedman, and Dottie Emerson. Dancing 'til midnight to the music of the J-B's will follow.

C.L.A.S.S. has spent years in developing a comprehensive network of services for the retarded adult population in this area. The organization will continue to enhance their services with the addition of expanded areas in speech, occupational and physical therapies as well as the addition of 14 new staff members. With this expansion comes a necessity to maintain financial stability. This event will help C.L.A.S.S. to achieve this stability as well as honor an individual who is supportive of the organization. Coakley has quietly been involved in furthering the efforts of C.L.A.S.S. to better serve developmentally handicapped individuals.

Tickets are available at the Sutton Travel Agency, 21 Lawrence St., Lawrence or by calling or writing to C.L.A.S.S., P.O. Box 1, Shawsheen Village Station, Andover, Mass. 01810.

Philip Manzi, Mary Hopkins, Bette Kidwell, Connie Gaudet and Helen Nardoza are in charge of decorations.

Recycling A Challenge For Residents

By Virginia Cole

Figures sent to us from U. S. Steel on the percentages of reuseable wastes in the average community show that Andover should have around 1000 tons of newspaper to be recycled and 1450 tons of reuseable glass. 1979 figures show us recycling around 800 tons of glass that could be reclaimed and reused.

The eventual advantages of this recycling are many. First are savings in trash disposal costs with less tonnage to be transported to a disposal site for either incineration or burying. Both land fills and incinerators last longer when they don't have to copy with glass wastes. Secondly, there are savings in the cost of glass containers; it takes less energy to manufacture glass from old glass than from virgin materials and machinery used in the manufacture lasts longer when it doesn't have to withstand the high temperature necessary for virgin materials. Thirdly, there are savings in energy to be used for other things, than incinerators or glass manufacturing.

If you like to look at the big picture, think of overall savings in energy by recycling glass. If worry about pollution is your thing, cut down on the use of both land fills and incinerators by recycling. If local taxes are your main concern, lower trash disposal costs and revenue by contributing to the sale of recyclables. If you children's future keeps you awake nights, start them off right with the example of saving and reusing.

Americans pay nearly \$155 million individual income tax to the federal government alone.

U. S. Steel says we should have 100 to 150 tons of aluminum in a town the size of Andover per year in our waste stream. Andover Recycling will be surprised if you bring us even one ton of aluminum on April 12 behind Town Hall. But if you do, we will find a truck and we will sell it for your benefit. Can you meet the challenge?

Trash is an asset. Are we taking full advantage of ours?

Your clear glass can be put in double grocery bags on the curb on your trash day every second week in the month for recycling. Put out brown and green glass the same way, but in separate bags during the fourth week.

Preparing New Decor

Leslie Palmer, left, and Macky O'Day of the Teen Scene Book Review at Memorial Hall Library have spent the past few weeks busily redecorating the Library's Young Adult area with colorful posters listing favorite books. The posters, which are now hanging above the YA shelves, will be used as recommended reading guides for teenagers readers looking for recreational titles popular with other teens. Other members of the group which meets twice each month with Young Adult Librarian Sue Hurwitz are Karen Ayers, Augusta and Joe Dadiago, Claudia Davis and Sue Diamantas.

Memorial Hall Library The Red Shoes

"The Red Shoes", loosely based on Hans Christian Andersen's fairy tale, will be shown at Memorial Hall Library on Friday, March 14 at 7:30 p.m. as part of the All Star Film Series. Starring ballerina Moira Shearer, the visually stunning film tells the tale of a young ballerina torn between her love for dancing and for her husband. Open to the public without charge.

Children's Room News
By Bridget Bennett

Our Friday film program continues this week with "Georgie to the Rescue", "Five Chinese Brothers" and "Many Moons". The half-hour program will be

shown at 10:30 a.m. and again at 2 p.m. We welcome all pre-schoolers accompanied by an adult.

Bedtime stories at the Library? Many children look forward to coming to Pajama Party, a weekly story hour held in the Children's Room Thursday evenings at 7 p.m. starting March 13. A variety of quiet activities are planned each week, including stories, songs and an occasional short movie. No registration is required for this drop-in series but children should be between 3½ and 5 years old. Additional Little Women dolls on display in the Children's Room were kindly lent by Kathleen Radulski of Andover.

The most abundant fresh water fish are small minnows called dace.

Train Change To Be Decided

The Merrimack Valley Regional Transit Authority, at its monthly Advisory Board meeting on Thursday, March 13, will be deciding several issues concerning the present train service to Andover.

On a request from the Town of Andover, the new timetable beginning April 27 (when Daylight time is initiated), will delete the Shawsheen stop from service. The first several months of operation show a passenger count of fewer than five people per day; the anticipated cost for repair of the Shawsheen station area of \$7,000 plus, did not seem warranted by that ridership. However, at the same time the town requested that Ballardvale have full service, since the loadings have been sufficiently high to warrant it.

At issue this week will be the introduction of weekend service and a plan for mid-day and evening weekday service. With a possible implementation date of April 27, the weekend service would provide three round-trips on Saturday, with morning, mid-day and dinner hour inbound trips and mid-day, dinner hour, and late evening outbound trips, to provide service for most shopping, recreational and entertainment needs. Sunday's schedule would include the same service, but beginning with the mid-day inbound and dinner-hour outbound. Estimates indicate that the service would be self-sustaining if 600 riders per weekend use the service, a figure already exceeded on other weekend extensions of commuter rail in other areas of the state.

An early September start of changes in the weekday schedule is being considered that will include mid-day and evening ser-

vice in addition to the present commuter hour service. The delay in the start of this service is caused by planned maintenance to the line during the summer of 1980. That maintenance will provide faster running times, with track speeds north of Reading increased to a maximum of 50 mph (from a current 30 mph in some sections), and an operating speed south of Reading changed

from 50 mph to 60 mph. With such maintenance, the area will receive shorter schedules, and smoother rides, which in turn will allow for the additional service to the area on an economical basis.

As an adjunct to the train service, the town is being asked, through town meeting, to gravel the parking areas at the center and Ballardvale to provide safe and

clean parking for those who use the new service. The prior town meeting had authorized up to \$45,000 to be spent in each of these two years on commuter rail operations; station improvements to date have used about \$38,000, but there have been no operating costs assignable to Andover, and it is anticipated that none will be for the next fiscal year.

11 THE TOWNSMAN, MARCH 13, 1980

Merrimack Increases Tuition

Merrimack College will increase tuition by \$500 and residence charges by \$290 for the 1980-81 academic year. These increases will bring tuition of a total of \$3,700 per year and residence fees to \$2,340 per year.

Rev. John A. Coughlan, O.S.A., president of the college, stated, "The increases are necessary to meet rising operating costs and offer competitive salaries in order to provide quality education for Merrimack College students."

The increases were approved by the College's Board of Trustees at a recent meeting held on the North Andover campus.

Selectmen Endorse School Project; Hold Off On Vale Funds

The selectmen reviewed the town meeting warrant Monday night, to approve, disapprove, withdraw or take no position on each article, with an eye towards cutting \$480,000 from the list of articles.

Town Manager Jared S. A. Clark told the selectmen the \$480,000 cut would be necessary to keep the town within the state-imposed four percent cap on this year's tax rate.

An additional \$130,000 should be trimmed from the 1981 budget to stay within the tax cap, Clark said, explaining that money not cut from the warrant articles should be cut from the budget.

The selectmen voted to disapprove enough articles to save the town \$111,500, and took no position on articles totalling \$281,000.

The selectmen voted to make their position known at town meeting on the Ballardvale community center article (13), which was inserted on a residents' petition.

"We have no figures on which to base a decision on this," explained Selectman Susan Poore, "and we will need to discuss it based on those figures."

The town manager had recommended disapproval of the Ballardvale article because it serves "only one portion of the community."

The selectmen voted to approve the school building program presented in articles 65 and 66, although they originally voted to take no position on article 65, the bonding question.

"This is a school article," Poore said, "and as a selectman I don't want to get involved in their business."

However, the selectmen changed their vote after James Abramson reminded the board that they "have already been involved from time to time in the building project. Last year we got them (the building committee) to pull away from the idea of a new junior high school."

"This is a good program for the town and I would like to see the selectmen endorse it," Abramson said.

The selectmen also approved articles 67 and 68 concerning possible reuse of East Jr. High.

Among other articles the selectmen voted to approve: article 9, to appropriate \$8000 to repair the bandstand in the Park; article 11, for continued support of elderly and handicapped bus service run by the Merrimack Valley Regional Transit Authority; and article 31, to appropriate \$6500 to install flashing lights on Beacon St. near the West Elementary School.

Article 12, which would appropriate \$2500 to supplement the elderly lunch program, was among the articles disapproved by the selectmen.

"In this tax-cutting year, seniors should share in the cost of tax reduction," the town manager said. Clark added that the state law should be amended "to permit

greater local contributions."

Selectman Norma Gammon agreed, saying the selectmen should "fight this out with the state next year. I am disturbed that these people can't get \$2500 from the town, and yet their hands are tied with the state."

The selectmen also disapproved the Shattuck parking lot article (14), which would appropriate \$6000 to pave the downtown lot. Clark recommended disapproval because the lot "is already used extensively without pavement and lines and all those other things."

He added that he does not believe the town should charge for parking in one lot without charging in all other town lots.

The selectmen took no position on the Recreation Lodge article (43) which would appropriate \$150,000 to reconstruct the lodge; or on the sale of town land adjacent to Olde Andover Village described in article 53.

The selectmen voted to withdraw article 8, to appropriate \$35,000 to construct town playing fields; and article 10, to appropriate \$6000 to gravel commuter parking lots.

Selectman Lawrence Sullivan was opposed to withdrawing the articles: "I would like to see them go to town meeting," he said. "That's the legislative process. It's important, even if we disapprove of an article, to let town meeting decide."

Snuff Boxes

When the Capitol was rebuilt after it was burned by the British during the War of 1812, snuff boxes were placed on each side of the presiding officer's desk in the Senate. These are still filled with fresh snuff every day.

Little Control Over Fixed Budget Items

By Linda S. Corbett

Unless some relief is forthcoming from the state, the school department's "fixed" expenses and salaries for 1980-81 would take up most of a four percent tax cap budget.

Supt. Kenneth R. Seifert warned the school committee during a recent budget session that hikes over which they have little control — gasoline, insurance and special needs, for instance — will just about swallow up a four percent increase by themselves.

Seifert said later that he wasn't trying to be "sensational," but merely trying to communicate that the administration's hands are tied in the quality-education-at-low-cost challenge.

He said the state legislature is considering exempting some of the costs related to the energy crunch, such as the extra dollars fuel and gasoline will cost next year.

The committee recently approved on first pass, \$375,000 for Blue Cross/Blue Shield and basic life insurance for next year (up from \$295,000 this year and \$165,000 in 1978-79); \$586,591 for pupil transportation (up from \$469,402 this year and \$389,000 in 1978-79) and \$233,771 for special needs (up from \$162,512 this year and \$116,417 in 1978-79).

While some officials have called for an insurance review, with an eye toward a more economical set-up, it wouldn't be completed in time for relief for the next fiscal year.

FinCom Chairman Donn Byrne said at a recent school committee meeting that the town and school have elected "to have the best and most costly plan available." Because it's "good," he said, it also encourages claims — an average of about seven per participant per year. The high incidence of claims, in turn, pushes up the premiums.

Seifert said the plan "may be the most costly but it's not the best."

Transportation

The major increases in the transportation budget are due to redistricting and the price of gasoline, which the administration expects will go to at least \$1.75 a gallon next year.

Transportation Asst. Sam Arcidy said they'll need three to four buses to transport Doherty pupils to their new schools, at a "best estimate" cost of \$43,300.

Arcidy has proposed that \$39,000 be set aside for the gas escalator clause, compared to \$11,200 in that account this year. He said this year's regular transportation budget provides for gas at \$1.15 per gallon. They budgeted a 20 cent per gallon increase a year ago at this time, he said, and that proved to be inadequate: gas is already 31 cents more.

He said he has heard projections that range from \$1.50 to \$2 per gallon, and he arbitrarily pegged it at \$1.75.

Also approved on first round was \$132,000 for special needs transportation to in-town and out-of-town programs, compared to \$110,000 this year and \$71,500 in 1978-79.

While admitting that the increase is difficult to predict, Arcidy said they have to allow for additional children, new programs, and contract increases.

Other proposals under the transportation umbrella include:

Late Bus, \$12,240 (no funds allotted this year: the late bus was reinstated in the spring on request of students, according to Arcidy, was "definitely utilized, almost to the point of overutilization." However, he said, it was dropped again in the fall on account of economics.

Special Account, \$6,000 (\$5,000 this year — buffer money needed when new, higher contracts have to be negotiated);

Inaccessible Areas, \$3,000 (\$2,561 for the current year, for special transportation to areas where it is unsafe for a regular bus to travel or for children to walk to a bus stop);

Extra mileage, \$6,300 (same as this year — used when a driver exceeds the 60 miles per day covered in his contract); 7th and 10th Grade Orientations, \$1,300 (\$810 this year — buses to the special get-acquainted session given these pupils on the day before the regular school year begins);

Kindergarten, \$41,481 (\$31,034 this year — for buses to and from kindergarten at noon — many of the current kindergarten contracts expire in June);

Regular transportation, \$301,970 (\$299,352 this year — the cost of 23 buses which transport some 4,000 pupils to Andover schools and St. Augustine's).

Arcidy also noted that Andover spends about \$63 per pupil for transportation and, he said, he has been having a hard time finding any systems in the state that spend less.

Special Needs

The school administration requested, and the school committee approved on first go-around, \$6,440 for special needs equipment including a wheel chair elevator, up from \$1,960 this year; and \$4,331 for instructional materials (down \$200 because most of the classes have their basic texts and materials).

The largest increase in expenses, from \$116,000 this year to \$183,000 for 1980-81, comes in out-of-system programs for Andover youngster's whose needs can't be met here. The state has allowed those schools to raise their tuitions by as much as 80 percent.

Seifert said that Andover is doing "more than its share" to keep 766 costs down, but both he and Pupil Personnel Ad-

Musical At Austin

Austin Preparatory School of Reading will present its sixth annual student musical, *Sing World Sing*, tomorrow through Sunday at 8 p.m. in the auditorium of Reading Memorial High School.

Sing World Sing is an evening of musical entertainment featuring songs, dances, and variety show acts. This year the program features a tour of the world with appropriate musical numbers.

Boys from Austin will be joined by girls from Our Lady of Nazareth Academy, Reading Memorial High School, and other area schools to form a large cast for the production. This year's show will be directed once again by Emmett O'Brien. Douglas Thompson of Andover, a sophomore, is serving as production stage manager.

Pritts Is Honored

Ronald Pritts of 79 Dascomb Road, Andover, has recently been named Representative of the Year for the special accounts office of Blue Cross and Blue Shield of Massachusetts.

Pritts, was awarded the honor in 1973, 1974, 1978 and 1979 for his outstanding sales and service record.

A graduate of Sumner High School, Pritts graduated from Pennsylvania State University at University Park with a B.S. degree in business administration. He also served three years in the U.S. Navy.

Pritts, who is a senior representative in the special accounts office in Boston, joined Blue Cross and Blue Shield in 1970. A member of the Knights of Columbus in Andover, he is married to the former Peggy Splaine and is the father of three children.

The champion swimmer and diver among land mammals is the otter.

TOWN OF ANDOVER

ANDOVER BOARD OF SELECTMEN

Pursuant to the provisions of General Laws, Chapter 82, Paragraph 22, notice is hereby given that it is the intention of the Board of Selectmen to lay out the following streets as town ways and that a public hearing upon these propositions will be held in the Auditorium second floor, Memorial Hall Library, Andover, MA., on Wednesday evening, March 26, 1980, at 8:00 P.M.

Apple Blossom Road, Buchan Road, Monahan Lane, Brady Loop, Old School House Road, Sandalwood Lane, and Forest Hills Drive as described in the Warrant for the Annual Town Meeting to be held Monday, April 14, 1980, at 7:30 P.M. at the Case Memorial Cage at Phillips Academy. Plans are on file at the Planning Board office at 11 Essex Street.

How Valle's Got to Massachusetts By Way of Maine.

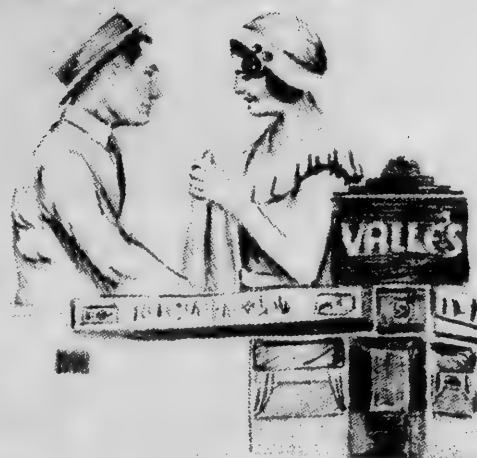

Since 1935, Valle's has been taking the taste of our customers very seriously. It's a tradition.

For years Valle's has been the famous eating spot for vacationers in Portland, Maine. There was a lady from Atlanta who loved our Prime Rib; the Fort Lauderdale couple who raved about how fresh and well prepared our seafood was; the family who half-threatened to kidnap our Chef and his recipes, because they wanted that great Valle's taste in Massachusetts.

In 1960, we decided to take our great food to all the people who loved us. Now there are Valle's restaurants from Maine to Florida. That's why we're serving Valle's choicest cuts of beef and freshest of North Atlantic seafood right here.

During the month of March, join us in a special celebration of the Valle's tradition of serving only the highest quality food at reasonable prices... a tradition we couldn't have started without you.

MARCH 13, 1980

Campaign Workers

Among the eighth-graders at St. Augustine's School who campaigned for their candidates before a mock presidential primary election were (from left), Kevin Driscoll, Mary Beth Gilmartin, John Sheedy, Peter Walsh, and Matt Dispensa.

Students Conduct Election

St. Augustine's School students in the fourth through eighth grades held their own presidential primary election last week, and Republican candidate George Bush carried the day with 110 votes.

Republican Ronald Reagan came in second with 83 votes, while Democratic candidate Ted Kennedy beat President Carter, 43-29.

Students also cast ballots for Republican Philip Crane (8 votes), Democrat Jerry Brown (6 votes), and Republican John Anderson (1 vote).

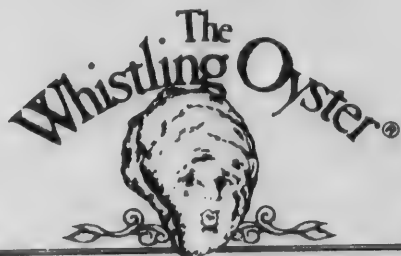

For a week before Election Day, eighth-grade students campaigned for their candidates, complete with posters, hats and buttons. The eighth-graders formed delegations for each candidate, researched their candidate and then made campaign speeches at a mini-convention attended by all four grades.

The mock election was a "citizen awareness" project, part of the eighth-grade students' social studies, English, and reading courses.

East Jr. High Happenings

By Amy Higgins
And Heidi Lasch

Last Friday a career gathering for eighth and ninth graders, the largest in the history of our school was held. Representatives from many organizations offering career opportunities and summer programs for junior high students spoke throughout the morning. These included a West Indies Program, Earthwatch, Sea Semester, American Institute for Foreign Study, Jackson Laboratory, the Main Seacoast Society, Junior Maine Guid Program, Mystic Seaport Program, International Backpackers "Project Earthcare," Outward Bound, the Museum of Science, the Aquarium, Y.M.C.A.,

On Honor Roll

Julia Morse of Phillips Street has been named to the president's honor roll at Wentworth Institute of Technology for outstanding scholastic achievement during the first semester of the 197980 academic year, Wentworth president Dr. Edward T. Kirkpatrick has announced.

An academic average of 3.50 or better is necessary to be named to the president's honor roll.

Quest Expedition Training Institute and Candy Stripe Volunteers. Coordinating the program were Mrs. Emily Lou Danforth, Mrs. Peggy Cain and Kenneth Pellerin of East's faculty.

While the eighth and ninth graders enjoyed the career conferences the seventh grade students saw Jules Verne's film "20,000 Leagues Under the Sea."

Last Tuesday the entire school was treated to scenes from the high schools production of "Guys and Dolls" which will be presented to the public this weekend.

At the end of the performance, Students of the Month were announced by John Hughes, assistant principal. The seventh grade winner for Outstanding Achievement in Academic Work is Steve Zaimes. Steve is an excellent student, will like by his fellow students and teachers. He is one of the most cheerful, productive and friendly students in the seventh grade. He is also a member of the honor roll.

Student of the month in the eighth grade Donna Russell was selected for Outstanding Academic Achievement and School Service. During her two years she has attended East she has never missed being on High Honors. As a member of the student council her efforts have led to the

success of several projects. Miss Russell eighth grade student of the month is also presently serving on the improvements committee and F.A.S.T. project.

Ninth grade student of the month, Nancy Trepanier, was also selected for Outstanding School Achievement and School Ser-

vice. She has consistently been a High Honors student her three years at East. She is a member of the Student Council, Yearbook, Newspaper and the Math Team. She is this year's F.A.S.T. chairwoman which is the student council's most important project.

Students Meet Celtics Star

Larry Bird Talks To Pupils

By David Eckman
and Deana Bardetti

The Newswriting class of the Gifted and Talented Program in Andover elementary schools has been involved in doing many exciting things this year.

The most exciting experience that we have had has been interviewing Boston Celtin super-star Larry Bird.

Our class was chosen by the Boston Globe to conduct the interview. The experience is one that we will certainly never forget.

When it was announced that we would be conducting the interview, we nearly flipped! For the next five days we waited anxiously for the exciting moment to meet Larry Bird.

We took a bus to Hellenic College in Brookline where the Celtics were practicing. While eating lunch on the bus in the parking lot of the college, we watched members of the Celtics pull up in their fancy cars. Wow, were they ever tall!! For two straight hours we watched the Celtics practice. It was great to see our favorite basketball players perform right in front of us!

After the practice we entered a small classroom and anxiously awaited the arrival of Larry Bird. Finally, Larry entered the room and took a seat in front of us. Butterflies entered our stomachs and our hearts jumped a mile. The inter-

view began and our questions rolled along smoothly. The answers that Larry Bird gave us were interesting and humorous. We found him very easy to talk to. He really seemed to be enjoying himself, too.

After the interview, Larry signed autographs for us and let us take as many pictures as we wanted to.

Our impressions of Larry Bird changed after we met him. We thought that he would be very snobby and act like a big

shot. He is not like that at all. Really, he's just like you and me.

Each member of our Newswriting class has special memories of meeting the greatest rookie of all time.

WESTern Roundup

By Tricia Gannon

Douglas Halsted, head of the foreign language department at West visited some of the ninth grade English classes last week. These classes, taught by Mrs. Nora Harrison, have recently been reading and analyzing 'A Separate Peace' by John Knowles. Halsted, who attended Phillips Exeter Academy, upon which the story is based, told the students about the school, the boys there, and the school's reaction when the book came out. He started his program by showing the students pictures of the academy and later gave them the opportunity to ask questions. Halsted described the educational program at Exeter as well as the social life and mood set by the school. The students were anxious to listen and grateful that Mr. Halsted gave them a special way to look at 'A Separate Peace.'

The gymnastics season is well underway at W.J.H. as both the girls and boys teams prepare for upcoming meets. Andover High School boys gymnastics Coach Jack Gleason coaches both teams at West, however, he has plenty of help from A.H.S. gymnastics team captains Lenny Peltier and Allison Labell.

After completing their undefeated season, the ninth grade boys basketball team, is doing very well in their current tournament. So far, the team has played four games and lost only one. The first game was March 2 against Concord. The score of the game was 63-59 as E. J. Perry and Jeff Canovitch were outstanding. Next, the team beat Lincoln-Sudbury with E.J. Perry scoring 20 points and Todd Lockwood 16. Their next game was Saturday against Chelmsford where they lost by a few points.

Sunday the team played Acton-Boxboro and won by a score of 61-60 in overtime.

Kindergarten Orientation Dates Set

Parents whose children will be five years old by Sept. 1 should contact their area schools, or the Traditional Program at West Elementary School, by March 14 for kindergarten pre-registration.

Parents whose children will be six years old by Dec. 31 and who would like their children to begin first grade this fall should contact their area schools now. Children who are not attending Andover public schools this year will be required to participate in kindergarten screening and orientation programs.

In accordance with state legislation, children registered for kindergarten will be asked to attend a screening program.

Pre-registered children will be mailed screening information.

Parents of three and four-year-old children may have their children screened for vision, speech, language, motor and reasoning skills. Parents should contact Linnea Gershenberg's office in the school department for an appointment.

Parent orientation evenings to explain kindergarten, the screening program and early primary issues will be held on the following dates: 7 p.m. March 18 at West Elementary; 7:30 p.m. March 19, Bancroft School; 7:30 p.m. March 20, Sanborn School; 7:30 p.m. March 26, Doherty School; 7:30 p.m. March 27, Shawsheen

School; and 7:30 p.m. April 2, South School.

April Course

Registrations Accepted

Registrations are being accepted for a marzipan candy workshop scheduled for Tuesday, April 15, a Salt Dough Workshop Thursday, April 17, and Chinese cooking

which will begin Tuesday, April 29, at the DCS office located on Bartlet Street. Class size is limited; registrations will be accepted on a first come, first served basis.

Wrong Gong Show

Tickets are now on sale for the Wrong Gong Show at posted locations throughout town and at the Community Services office.

The Wrong Gong Show, the first event in the 1980 Andover Series, will be held Saturday, March 29, 7:30 p.m. at the West Elementary School Auditorium. Reduced tickets are available for students and senior citizens.

New England Aquarium

A family trip to the New England Aquarium is being offered on Sunday, March 16. Special family rates are available when you come along on this DCS bus trip so register today and reserve your bus seats. The bus will depart from the East Jr. High parking lot at 9:30 a.m. and return approximately at 3 p.m. Fees for bus and admission must be paid prior to March 16 at the DCS office, 36 Bartlet St.

Shirret Workshops

Shirret is a fascinating needlecraft which combines shirring and crochet to create beautiful tablemats, chair pads, rugs, pillows and wall hangings. A two-time evening workshop will be offered on Monday, March 17 and March 24 from 7 to 9 p.m. at the Andover High School. Registrations are still being accepted at the DCS office on Bartlet Street; students will purchase a craft kit at the office for advanced preparation (approximately \$7).

Ukrainian Customs And Eggs

On Tuesday, March 18, Mary Ellen Foulds will demonstrate the Ukrainian technique of egg decorating and the customs and culture behind it at the Andover High School from 7:30 to 9:30 p.m. Participants might want to bring a notepad and pen so they may try it at home. A nominal fee will be collected at the door.

Ms. Richard To Address Parents

Ms. Nancy Richard of the Gesell Institute of Human Development will speak at West Elementary School, March 18 at 8 p.m. in the school's cafeteria.

Ms. Richard has spoken in Andover before and has delighted parents and teachers with her candid and accurate description of growth and development.

As children grow, they pass through developmental stages that are both very observable and very predictable. Some of these stages are easy and produce rather calm and satisfactory behavior. Others are very turbulent, and create behavior that is disturbing and puzzling to even the most understanding of parents and teachers.

Ms. Richard will outline the

developmental stages from ages two to 16, and offer suggestions and alternatives for coping with the more difficult times.

All Andover parents and teachers are encouraged to attend.

Six months were required merely to assemble the Statue of Liberty.

*Effective annual yield assumes principal and interest left on deposit for 1 yr. Interest compounded continuously. Substantial penalties on early withdrawal.

†Federal regulations prohibit compounding of interest. Effective annual yield assumes reinvestment of accumulated funds for an additional six months period at the same annual rate. However, rate is subject to change. Federal regulations also require substantial penalties if funds are withdrawn prior to maturity.

Band Parents Spring Dance

Andover High School Bank Parents (from left) Chairman Ethel Olsen, 4 Farrwood Drive; Ruth Brunquell, 7 Millstone Circle; and Linda Read, 30 Farrwood Drive, admire table decorations for their spring dance. The dance will be held at 8 p.m. Saturday, March 22, at the new Indian Ridge Country Club. Music will be provided by the DeVilles and the Andover High Stage Band, both directed by Alfio Graceffa. For reservations, contact Ruth Brunquell.

Corned Beef Dinner

1880's, the social group of the Ballardvale United Church, is putting on a traditional corned beef and cabbage supper at the church, corner of Clark Road and Hall Avenue, Ballardvale, on Saturday, March 15, 5:30 to 7 p.m. with continuous serving.

Tickets are available through the church office during the day, or evenings through Barbara Itz, chairman.

Membership Coffee Planned

Lyndia S. Lamson membership chairman of the Lawrence General Hospital Aid Association supported by the board members has set a 1979-80 goal for 800 members in the Aid Association. To augment the present roster a goal of 200 new members has been set.

'Neighborhood coffees' have been arranged to reach the maximum number of interested people in the community and will be held in Andover, North Andover, and Methuen. A group of board members from each community will jointly hostess each of the events.

In addition to meeting new people, the coffee will be informal and give time to ask questions regarding the Aid Association and its diverse activities. Forms will be available to enable immediate active membership.

The dates and location of each neighborhood coffee will be announced in the near future, or you may call the Aid Association Office at the hospital. Calls are expected at the office, there will be a person to take reservations from 9 a.m. to 5 p.m. Space will be limited since the coffees will be held in board members' homes.

LaLeche Group Meets

LaLeche League of Andover will hold its third in a series of four monthly meetings on Thursday, March 13 at 8 p.m. at the home of Cindy Hall, 47 Willow Ridge Road, No. Andover.

An informal discussion on "Baby Arrives: The Family and the Breastfed Baby." will be presented by League Leader Maureen Lyons.

All interested women are invited and babies are welcome. Mothers will have an opportunity to share experiences and offer

support to one another.

LaLeche League is a nonsectarian, non-profit organization dedicated to good mothering through breastfeeding. Further information is available from Joy Rubit, Andover or Beverly Jones, North Andover.

Some have thought throwing parsley into a pond cures sick fishes there.

Las Vegas Night Is Planned

The Andover-North Andover Newcomers Club will hold Las Vegas Night Saturday, March 22, starting at 8 p.m. at the Andover Country Club. A variety of games will be played from 8:30 to 11, followed by a buffet and the awarding of prizes.

Admission includes generous supply of the chips used in playing all games, an outline of rules, snacks, buffet, and the opportunity to win one of many attractive prizes, such as a single tennis club membership, a crock pot, a selection of

wines and a gift certificate. Featured prize this year is a getaway weekend at the Sea Chambers in Ogunquit, Maine. A cash bar will be open all evening, and additional chips may be purchased.

Chairman Marge Stelzer welcomes even the newest area residents who may have not yet joined Newcomers Club. Reservations with check payable to Newcomers should be made by Saturday, March 15 with Karen Pugatch, 175 North Main St., Andover.

Hospital Thrift Shop Profitable

The Lawrence General Hospital Aid Association Thrift Shop has turned into a profitable business venture.

The directors of the Thrift Shop have shown renewed hope in the latest on-going venture of the Aid Association. The three months after opening Oct. 1, 1979 realized a net profit of over \$1200, which is divided between the Aid Association (hospital) and consignors. This figure is encouraging because the shop was originally open Tuesday and Thursday 10-4 which was a

grand total of only 22 days. Because of public interest and demand the Aid Association deemed it necessary to offer a weekend day to customer. Since January the Thrift Shop has been opened on Saturdays 10-1.

There are presently over 45 consignors with the shop. With spring just around the corner, the good weather is expected to bring more consignors during the next month.

Exercises For Expectant Moms

The Department of Community Services is offering "Exercises for Expectant Mothers" on six Tuesday evenings, from 7:30 to 9:15 p.m. at Doherty School.

Participants will learn relaxation techniques as well as how to tone up and

strengthen the most important muscles involved in childbearing. The class is taught by Suzanne Scarpulla, R.P.T., and Mariana Suzano.

Individuals may sign up at the DCS office, Stowe School, 36 Bartlet Street.

Joy Ann Scribner

Miss Scribner Is Engaged

Mr. and Mrs. Robert J. Scribner of Andover, announce the engagement of their daughter, Joy Ann, to William E. Kellett of Kennebunkport, Maine.

The bride-to-be, a graduate of Andover High School, is a senior at Lesley College in Cambridge and will receive a degree in elementary education in May.

Her fiancé is a graduate of Kennebunk High School and the Culinary Institute, Poughkeepsie, N.Y. He is employed at the Olde Grist Mill in Kennebunkport.

A November wedding is planned.

Inducted In Sorority

Jaclyn Russem of 21 Karlton Circle, Andover, a senior at Dean Junior College, has been inducted into the Alpha Delta Pi sorority.

The organization was founded this year and is involved in a variety of community and social activities, including sponsorship of a foster child.

Russem, a graduate of Andover High School, is a fashion merchandising major at Dean.

Dean Junior College is one of the largest, fully-accredited, residential, two-year colleges in New England.

Miss Taylor Engaged To Wed

Lesley C. Taylor

Mr. and Mrs. John C. Taylor, 1 Cassimere St., Andover, announce the engagement of their daughter, Lesley C. Taylor, to James M. Dorgan, son of Mrs. Mary E. Dorgan and the late Maurice B. Dorgan, 62 Beacon St., Lawrence.

Miss Taylor is a graduate of Andover High School and Northerly Essex Community College. She is employed as a secretary at Gladstone Bros., Lawrence.

Dorgan is a graduate of Central Catholic

High School, Lawrence and St. Gregory's College, Shawnee, Okla. He is employed as a circulation manager with the Lawrence Eagle-Tribune.

A June 4 wedding is planned.

The Yankee Lady
Andover

Susan B. Robinson

To Wed Local Man In May

Mr. and Mrs. Joseph Robinson of Longmeadow, announce the engagement of their daughter Susan Beth to Lawrence S. Slovin, son of Mr. and Mrs. Melvin D. Slovin of Andover.

Miss Robinson, who is a graduate of the University of Miami, is a sales representative for Pioneer Valley Plastics in Agawam.

Slovin received his B.S. degree in Chemical Engineering from the University of Massachusetts, Amherst, magna cum laude, where he was elected to Tau Beta Pi honor society.

He is employed by Monsanto in Springfield as a Technical Service Representative.

A May wedding is planned.

UFO Expert To Speak

The Mothers of Twins Association, Merrimack Valley Chapter, will hold a 20th anniversary dinner at 7 p.m. Tuesday, March 18, at Briarcliff (Andover Knights of Columbus), Osgood St.

Author and New England UFO investigator Ray Fowler will be the guest speaker, and tapes and movies of "The Andreasson Affair" will be shown.

Past presidents and members' husbands will be guests at the dinner, which will also be the association's annual pot luck supper.

Court St. Monica Meeting

Court St. Monica 183 will hold its monthly meeting Thursday, March 20, at 7:30 p.m. in Good Counsel Hall. Slides of Rome will be shown.

Edna Powell is chairman of the event.

Fashion Show To Be Featured

The monthly morning meeting of the Merrimack Valley Christian Women's Club will be held on Tuesday, March 18, from 10 to 12 noon at the Holiday Inn located in Tewksbury at the route 38 exit off of route 495, at which time a breakfast buffet will be served.

Cathy Hassig, newly appointed store manager of Howland's, located in Saugus, will be the special feature guest speaker. Mrs. Hassig, who is a native of this area,

and a graduate of the University of Massachusetts, has been affiliated with Howlands for five years. She will present an array of spring fashions.

The guest speaker will be Barbara Belles, a homemaker and mother who has addressed numerous clubs and organizations.

Special music will be provided by singer and guitarist Sandy Risner.

Nursery services are available at the

Playgroup Has Few Openings

The Andover-North Andover Y.M.C.A. has a few openings in its Pre-School Playgroup. This group meets Monday, Tuesday and Thursday from 9 to 11:30 a.m. and is for boys and girls ages three to five. The Spring Term will begin on March 31 and meet for ten consecutive weeks with Mrs. Mary Driscoll as the director. The program provides the children with well-rounded social and learning exposure. They participate in many activities including swimming, music, art,

gym, creative rhythms, cooking and stories. This group meets at the Y.M.C.A., 165 Haverhill St., Andover and the children use all the facilities available there, both indoors and outdoors.

More information can be obtained by visiting the Andover-North Andover Y.M.C.A. Registrations will be limited and taken on a first-come basis. Fall registrations are also being accepted now and a small fee will hold a place for your child.

Rocketeers Dance For A Cause

Rocketeer Square Dance Club of Andover will join hands and promenade the hall in a benefit for the Massachusetts Chapter of the Arthritis Foundation from 1 to 6 p.m. on Sunday, March 16.

The dance will be held at Greater Lawrence Regional Vocational Technical High School, 57 River Road, in West Andover. Admission is a \$2 donation per person and those clubs with one or more squares will receive a souvenir banner. Refreshments will be served.

According to Arthritis Foundation statistics," says Richard H. Darling, Rocketeer president from Andover, "arthritis is our nation's number one crippling disease. In Massachusetts alone, more than 832 thousand persons suffer from some form of arthritis. Six thousand of those afflicted are children."

The Arthritis Foundation is the only voluntary health association dedicated to seeking the cause, prevention and cure of arthritis. Although there is yet no cure — meaningful strides in research and patient care have helped ease the pain, alleviate the crippling, and given greater comfort to many victims.

Darling adds that "proceeds from the dance will be used to further the Massachusetts Chapter's programs in public education, patient and community services, professional training and arthritis research." He is urging all clubs to attend the benefit and "square up to fight arthritis."

Local organizers for the dance are Dick and Hannah Darling, Andover; Frank and Stella Quinto, Lawrence, chairpersons; and Dick and Jane Munroe, Andover programming.

Participants will include callers Ray Aubut, Bob Barbieri, Don Frechette, Brian Kingsley, Herm Parker, Tom Potts, Joe Portelance, Dick Steela and John Courtois; along with cuers Norma Findlay, Polly Floyd, John Moran and Lorraine Courtois.

Additional information may be obtained by calling Darling or the Massachusetts Chapter of the Arthritis Foundation, 59 Temple Pl., Boston.

Holiday Inn.

Art Fest Planned By Church

Two spring weekends have been designated by the Unitarian Universalist Church of Andover to present an area-wide Arts Festival and a "back by popular demand" jazz concert featuring the New Black Eagle Jazz Band.

On Friday evening, April 25, the festival will open with a wine and cheese party for participating artists, patrons and sponsors. the festival will open for weekend showing on Saturday, April 26. Tat evening music lovers can enjoy a presentation of barbershop singing and classical guitar.

Art viewing will continue the following weekend, May 2 and 3, with the renowned New Black Eagle Jazz Band in concert on Saturday evening, May 3. This traditional American jazz combo appears again at the Andover Unitarian-Universalist Church under a grant received from The New England Foundation for The Arts, in Cambridge.

Members of the Arts Festival committee, working under the direction of Chairperson Marc Comstock, are Anne Donovan, Jane Lenz, Mary Brown, Betty Young, Adeline Wright, Charlotte Martin and Joyce Stier.

By 1940, the National Association of Advertising Publishers reports, eight of the nation's 10 largest cities supported metropolitan shopping guides.

Cubs Are Honored At Banquet

On Wednesday, Feb. 27, the Cub Scouts of Bancroft Pack 102 held their Blue and Gold Banquet at the Bancroft cafeteria. The boys worked on table decorations and the cafeteria was turned into a party scene for the annual event at which the boys traditionally move up in rank.

Receiving recognition for their work during the year were Jonathan Ruel, Eric Williams, Aram Krauson, David Bakulski, Jonathan Clough and Donald Keamy. These boys all received their Wolf badges. Also obtaining their Wolf badge, but getting both gold and silver arrows were Lance Gomes, David Vogel, Andrew Hager and Ames Prentis.

Going from Wolf to Bear rank were Taylor Ongaro, Jason Goodman, Paul Fisher, Matthew Corbett, William Flynn, Timothy Adams, Robert DiAdamo, John Gemmell and Robert Ashworth. Receiving the Bear badge but also getting a gold arrow were Michael Dow, Thacher Worthen, Mark Dreese and Benjamin Wangerin. Frank Padallaro got his Bear badge and both a gold and silver arrow.

Scott MacIntire, Patrick Robb, Eric Yoder, Adam Wager and Eric Buchholz all achieved the rank of Webelo and also received their Craftsman pin. Eric Buchholz and Adam Wager got their Artist

pin too.

Besides the badges for achievement, awards were given to the winners of the packs Pinewood Derby which had been held in January. The runner up from Den 1 was Eric Williams who lost to first place David Bakulski. Den 2 had David Vogel winning over second place Andrew Hager. Michael Dow came in second to Den 3's winner, Taylor Ongaro. Matthew Corbett won over Benjamin Wangerin who was second in Den 4. In the Webelo's, Patrick Robb was second to Eric Yoder, who also

took the overall pack championship.

Winners in the Best Design competition were Ames Prentis, Michael Hahan and Scott MacIntire. Awarded prizes for best workmanship were Lance Gomes, Mark Dreese, and Adam Wager.

Idling

If you expect to wait more than 30 seconds, restarting your car instead of idling it will take less gasoline.

Singles

Creme de la Creme Singles is having a dance party on Sunday, March 23, from 8:30 p.m. until midnight at the Best Western Hotel in Waltham (exit 48E off Rte 128, just one mile north of the Mass Pike exit).

There will be a live band, cash bar, door prizes and free hot hors d'oeuvres at 8:30. Singles from 25 to 39½ are invited.

Dr. Charles Currier Was Noted Historian

Charles A. Currier, 70, an area physician whose concerns spanned public health, historical conservation, horology and the sea, died March 6 at Lawrence General Hospital.

Born in Arlington, Dr. Currier of 17 Hidden Road, Andover, practiced medicine in Greater Lawrence for 42 years, but was also active in a variety of organizations reflecting his diverse interests.

He had served on the Andover Board of Health, was a fellow and former vice president of the New England Chapter National Association of Watch and Clock Collectors and was a member of the Society of Horologists of London, England.

In addition, he was a member and past president of the Andover Historical Society, a member and trustee of the Newburyport Maritime Society and a member of the Old Newbury Historical Society.

Dr. Currier was a graduate of Harvard College, Class of 1932, and Tufts Medical School, Class of 1936. He served on the

staffs of the Lowell General Hospital, Lawrence General Hospital, Bon Secours Hospital and had served on the staff of the Clover Hill Hospital, Lawrence.

Among medical affiliations, he was a member of the American Medical Association, Northern Essex Medical Society, the Greater Lawrence Medical Society and the Obs-Gyn Society.

He is survived by his wife, Margaret (Campbell) Currier; sons, Richard C. Currier of Springfield, N. H., David C. Currier of Bowie, Md., and Scott H. Currier of Derry, N. H.; and four grandchildren.

Funeral services were held Monday at 2 p.m. in the South Church. Burial was in West Parish Cemetery.

Memorial contributions may be made to Lowell General Hospital, Lowell, Mass.; Lawrence General Hospital, Lawrence, Mass.; South Church Memorial Fund, 41 Central St., Andover; or the Massachusetts Heart Association, Northeast Chapter, 79 North Main St., Andover.

Holland of Crescenta, Calif., and Mrs. Pamela Aguera of Panorama City, Calif.; a nephew, Philip Turrissi of Lawrence; and a niece, Mrs. Alfred (Laura) Arcidi of North Andover.

A Mass was celebrated Tuesday at 9 a.m. in Holy Rosary Church. Burial was in West Parish Cemetery.

Funeral arrangements were under the direction of the Cataudella and Conte Funeral Home, 160 Garden St., Lawrence.

OBITUARIES

MARIE McCARRON

Marie (Cassidy) McCarron, 20 Sherbourne St., Andover, a lifelong Greater Lawrence resident, died March 4 at Bon Secours Hospital following a long illness.

Born in Manchester, N. H., she was a graduate of Lawrence High School, Class of 1944, the McIntosh Business School and Lowell State Teachers College with a B.A. in Education in 1960. She received her Masters degree in education in 1968. She was a teacher at the Sanborn School, Andover, for eighteen years and had taught for two years in the Pleasant Valley School. She was active in establishing a reading program at the Sanborn School and was active in various school organizations. She was a member of the Massachusetts Teachers Association and the N.E.A., the Shawsheen Village Club and attended St. Augustine's Church.

The widow of James J. McCarron, she is survived by a son, James J. McCarron Jr. of Andover; brothers, James E. Cassidy of Daytona Beach, Fla. and Roger R. Cassidy of Methuen; sisters, Mrs. Hubert (Fern) Fiske of Chelsea, Vt., Mrs. Alton (Emelda) Exel of Dayton Beach and Sister Rolande Cassidy of the Sisters of Holy Name, Kisimee, Fla. and several nieces and nephews.

A Mass was celebrated Saturday at 10 a.m. in St. Augustine's Church. Burial was in St. Patrick's Cemetery, Lowell.

Memorial contributions may be made to the American Cancer Society, 226 Merrimack St., Lowell, Mass. or the Marie McCarron Memorial Fund, care of Sanborn School, Andover, Mass. 01810.

RUSSELL HENRY MARSHALL

Russell Henry Marshall, 79, 10 Washington Park Drive, Andover, since October 1979 and previously of 40 Royal Crest Estates, North Andover since 1974, a retired administrator, principal and teacher for 50 years, died Saturday at

Lawrence General Hospital following a short illness.

Born in Cambridge, he was a graduate of Boston University where he received his bachelor's and master's degrees. He also did extensive study for his doctorate degree in England and the University of Hawaii.

Mr. Marshall was the administrator and principal at Grant Heights, Tokyo, Japan from 1954 to 1970, at which time he retired and took up residence in Hawaii until 1974. During World War I he served in the Army Air Corps and during World War II he served in the U. S. Navy.

He was a member of the Tokyo Union Church, Japan, and held membership in the Mizpah Lodge A.F. & A.M., Cambridge and the Boylston Lodge A.F. & A.M., West Boylston and was a 32nd degree Mason of the Scottish Rites in the Tokyo Lodge A.F. & A.M., Japan.

He is survived by his wife, Dorothy W. (Wrigley) Marshall of Andover.

A private funeral was held Tuesday at the R. George and John D. Caron Funeral Home, 30 Main St., North Andover. Cremation took place at Linwood Crematory, Haverhill.

ELSA TURRISI

Elsa (Schmuzler) Turrissi, 91, formerly of Andover, died Saturday at Mary Immaculate Nursing Home following a long illness.

Born in Germany, she attended the Holy Rosary Church and was a member of the Italian Women's Club of Lawrence.

The widow of Frank Turrissi, she is survived by granddaughters, Mrs. Faith

Building Group Looks At Ways To Inform Public About Program

By Sue Aucella Deacon

The school building committee wants townspeople to fully understand its three-part school building program, before they come to vote on its school bonding question at town meeting.

The committee therefore decided last Thursday to hold a public meeting before town meeting to explain its program, to offer a guided tour through East Jr. High, and to insert an information sheet into the warrant sent to every home.

Committee members hope these efforts will help residents understand, among the other issues involved, that problems with Andover's schools will not "just go away" if the bonding question is defeated at town meeting.

"We want people to know that we will not lay (the building program) to rest forever if it is killed at this town meeting," said committee member Virginia Cole. "We will go on to the next phase."

Following the bonding question, the warrant includes an advisory article that will permit the building committee to continue developing plans for a secondary school building, and return to a later town meeting with another bonding question, Donald Robb said.

If the advisory article is also defeated, "We will still have to provide an acceptable secondary education facility at East Jr. High, at a cost to the town of \$5 million," Robb said, "with a vacant

(Continued on Page 58)

Andover School Groups In Fine Arts Festival

Art and music are literally exploding in the schools this week, as pupils and teachers alike prepare for Andover's first town-wide Fine Arts Festival.

The all-day Saturday event, complete with concerts, dance, art exhibits and demonstrations, will be held at Andover High from 10 to 4. The public is welcome.

Here's the schedule:

10 a.m.: High School Brass, Calligraphy, Elementary Clarinet Ensemble, Orff Presentation (Doherty students, Grades 4 to 6), Mixed Media.

10:15: High School Stage Band

10:30: Dance-a-Story (Bancroft 2nd and 3rd grade Special Needs students), Recorders "Roaming" (Sanborn students).

11:00: Elementary Flute Ensemble, "Revolt of the Foolish Molar" (West Elementary students), Basket-Making (Doherty students), High School Band, Scratch Board, (West Elementary students), Seventh Grade Girls Chorus (East Junior High).

12:00: Clay (Bancroft students), Woodwind Trio (East Junior High), East and West Junior High Band, Drawing (Sanborn students).

12:30: West Side Singers

1:00: Music Games and Manipulatives

(Grade 2, West Elementary students), Shawsheen Glee Club, All-Town Elementary Band, Calligraphy (East Junior High students), Print Designs with Food Objects (East Junior High students).

1:30: Improvisations in the Classroom

(Bancroft students), All-Town Chorus

1:45: Instrumental Improvisation

2:00: South School Chorus, Orchestra Demonstration and Performance

2:30: Recorder (Doherty students), Basketry (West Junior High students), A Capella Choir

3:00: Found Object Print-Making (Shawsheen students), Block-Printing (South School students), Folk Dancing

3:30: Junior High School Trumpet Duets

3:45: Bell Choir

On-going throughout the day will be demonstrations of various media used in the art and music classes, art demonstrations by East Jr. High pupils, slides of art concepts by two high school art instructors, slides of East Jr. High pupils working on art projects, and demonstrations of various art processes and products at the high school.

The day will be topped off by the final performance of Andover High's "Guys and Dolls," at West Jr. High.

Skug Walk Saturday

On Saturday, March 15 at 1:30 p.m. the Andover Committee of the Appalachian Mountain Club will sponsor a walk through the Skug river Valley in the Skug River Hammond Reservations.

This walk is on a Saturday and is the Committee's response to the increased participation of the Sunday hikes. More local walks have been planned as well as other activities.

Saturday's walk will feature both lowlands and uplands along the banks of the Skug River. There will be stops to point out the old flood basin dam, the big rock, the blue stone granite quarry and the saw mill. Hikers should prepare themselves for wet footing as the ground will probably be muddy.

This area is named for Edmund E. Hammond, who was very active as a member of AVIS. The trails originally built by the Conservation Commission have been updated and expanded by CETA workers. Some excellent additions have been made. Leaders for the walk are Bill Stevens and Deena Hammond.

The meeting place is the crossing of the Skug River and Salem Street between Woodridge and Wagon Wheel Roads. Salem Street is reached by going toward Harold Parker Forest where Salem Street crosses Route 125 north exit.

Come and enjoy the first days of spring, and bring everyone in your family.

Energy

To produce milk requires more than twice as much energy as the milk contains. Beef contains one-tenth the energy needed to produce it. Commercial fishing operations, on the average, use 100 times more energy than is available in the fish catch, according to Massachusetts Audubon.

Selectmen Oppose Manager's Request For More Police Personnel

By Sue Aucella Deacon

The selectmen Monday night voted against hiring two police patrolmen and a police captain, and in favor of hiring two firefighters, in an effort to cut the budget to bring it under the state-imposed four

percent tax cap.

Working with a "hit list" of possible reductions recommended by the town manager, the selectmen cut \$130,000 from the budget. Earlier in the evening they had

cut \$111,500 in warrant articles.

In voting against hiring the police personnel, the selectmen disregarded Town Manager Jared S. A. Clark's recommendation. "It's my perception that police are

more important to the community than firefighters right now," Clark said. At a recent meeting at Lowell Junction, he added, "people asked for more police protection."

However, selectman James Abramson said that "now is not the time" to add new police personnel for a total of \$60,669 because of the recent appointment of Police Chief James Johnson.

"We want the new chief to work with the existing staff for now," Selectman Susan Poore explained.

Clark told the selectmen they could approve the hiring of either one or two firefighters as part of his long-range plan to add four firefighters to the department.

The selectmen chose to approve two firefighters at \$27,890 because "we need additional firefighters, with the town and industry expanding," Selectman Norma Gammon said.

Noting that she had voted against both the police and fire department hirings, Poore said the selectmen "have heard more concern for police protection than the fire department. It is my impression that police are a higher priority than firefighters."

The selectmen also approved the hiring of a town accountant-in-training at \$17,000. Clark explained the position would be that of an assistant to the town accountant during the transition period with the new computer system. The accountant-in-training will become the town accountant after the current accountant retires.

Hiring of a clerk-typist for the department of health, at \$9000, was approved after the town manager called the position "absolutely essential." The selectmen also approved the hiring of a director of health at an unspecified salary.

What Clark called a "modest investment" of \$3600 was approved for a fire and intrusion alarm in the public library.

The selectmen were also in favor of a \$20,000 book security system. Clark explained the library loses "in excess of \$20,000 in books every year. It amazes me this has not been done by now."

However, the selectmen held off approving the security system until they hear an explanation of how it works.

The selectmen cut \$20,829 from the budget by eliminating a department of public works project that would post signs at all town water supplies.

Under Clark's category of "necessary expenses," the selectmen cut out an internship position in community development and planning at \$1800 and seasonal maintenance help for the department of community services at \$7340.

The selectmen made further cuts totaling \$68,742 by eliminating five school crossing guards, an insurance reserve fund, interest on bond anticipation notes (contingent on a town meeting vote), and by voting to sell the Cardinal Cushing gymnasium and West Andover community center.

One cut the selectmen chose not to make was \$2500 for Christmas lighting. "There are no grinchies in this crowd," the town manager noted.

Wheel Chair Lift For Bancroft Proposed

The school committee last week gave Plant Engineer Al Hart the go-ahead to seek bids for a wheel chair lift for Bancroft School.

But, they said, he isn't to carry through with the purchase until they know where the money is coming from. No funds are provided in this year's budget, and another account would have to be drawn upon.

Pupil Personnel Administrator Pamela Kvilekval said at a recent school committee meeting that a fourth grade youngster in a wheelchair is now being carried up and down the steps of Bancroft

by an aide.

That position, currently funded by CETA, will expire at the end of this year, however, and Kvilekval said it would then be necessary to hire another person, at a cost of \$5,000 or so, to provide for the youngster. The elevator, on the other hand, would serve him for fifth and sixth grades, and could then be moved to another school as needed.

Monies for the lift are included in the first pass of next year's budget.

But, Supt. Kenneth R. Seifert said, there are some "large" projects he'd like to get

over with this year because they'll cost more later, and School Chairman Elaine Viehmann said she believed the lift should be installed before the end of school in June, if possible.

Hart had received one quote for the wheelchair lift, at \$4325, or \$5150 if the "bridge" part of Bancroft is included.

He said it seemed a "satisfactory" solution for the problem of raising handicapped children from the Media Center to the upper lofts, and that it would incorporate all of the necessary safety features.

**Andover's
Top Merchant**

John Zenevitch, right, manager of Macartney's Andover store, was named Center Merchant of the Year, by the Andover Center Merchants at the annual dinner meeting this past week at the Lanam Club. With the award recipient, Gardner R. Macartney, left, treasurer and Robert J. Macartney, president of the firm which also has stores in Lawrence and Chelmsford. Zenevitch has been at Macartney's since it opened its Andover operation in 1953. He served as president of the Andover Board of Trade, the forerunner of the Chamber of Commerce, and had chaired the sidewalk bazaar committee among other activities with the Center Merchants and the chamber.

The 'Vale Ignored Long Enough

Ballardvale residents are justifiably disturbed over the condition of the community center and have put the repair of the building up for consideration by voters at town meeting this year.

The center has been closed due to structural problems which have made it unsafe. Included in the building and the most utilized, is the Ballardvale Branch library, no longer available to residents of the village.

With the exception of the library facility, we're not that sure that the building, as a municipal property, serves that valuable a purpose, although, to be sure, it has a certain nostalgic attraction for the area.

But the demise of the building is, in a certain sense, the latest in a long line of either neglect, or forgetting about the residents of this particular area, who are as entitled to services as the rest of the community.

It was not so many years ago that the residents of the Vale were virtually a community unto themselves, doing many civic minded projects on their own.

For years the playground equipment was made by people in the Vale, and the grounds maintained during the season. Activities supervised for periods of the day by town personnel, were augmented by mothers and fathers at other times during spring and summer.

In winter an ice rink was maintained.

At one point, the residents raised funds to provide a projector and screen for the community center building, equipment which apparently has now become the general property of the town.

Other problems facing the Vale area include the digging up of streets by a public utility company and then left in a rutty, bumpy condition after.

The town has planned for years to improve Andover street with Chapter 90 funds, yet no work has been initiated anywhere beyond the Dascomb Road interchange.

Residents are plagued by heavy trucking brought on by industrial development and are suffering through this problem as federal and state authorities study the need for a connector road to Lowell Junction from Route 93.

All of this indicates that when the Vale residents got their dander up about the community center and appeared before the selectmen a week ago, it was really about time.

Maybe it isn't just the community center building alone that they were presenting to the authorities for some action, but more letting them and the town know that there is, in fact, Ballardvale, and an important integral part of the community.

It was recognized in a consultant review by the community development department last summer. The study is probably on the back burner now, due to other problems facing the department in regard to the town's growth management.

But, it is evident that the 'Vale and its residents have collectively been on the back burner for an awful long time, and are deserving of some consideration.

Selectman Susan T. Poore expressed surprise at the condition of the building and concerned the board was not apprised of the problems earlier.

Two years ago, when problems regarding the building were addressed by the board, Mrs. Poore promised that the center would be revitalized.

We would hope that Mrs. Poore's notice a week ago that allowing insertion of the warrant article for the 'Vale residents was a beginning and "a commitment to this historic issue," would not be followed by another two-year lapse in attention.

We still would have to be convinced about the overall value of the community center structure as being useful for other than library purposes.

But, if the people of Ballardvale show up in sufficient numbers at town meeting to provide the necessary funding for repairs, then they will have deserved and earned it.

The people of the village have been ignored long enough. Funding the restoration at general taxpayer expense would be probably be considered justifiable reward for quietly accepting their fate for so many years.

Down The Years With The Townsman

75 Years Ago — March 1905

Tree warden J. H. Playden has nearly completed his work of cutting down the brown-tail moth nests and is now taking orders to do the work on private property.

Winthrop White, son of Mr. and Mrs. Herbert L. White, fell from his father's team on Wednesday, breaking his left arm at the elbow. The break is a serious one and it will be some time before Master White will be able to use his limb.

Several lights of glass were broken in the kindergarten rooms and John Dove building by mischievous children last evening. Should the culprits be caught and convicted it will undoubtedly go hard with them.

Many people will be interested to know the number of births, marriages and deaths during the year 1904. It is a singular fact that the number of births last year and the year previous were exactly the same, 100 being the total for each year.

Alvin E. Tough, who has been travelling

through the South for Tyer Rubber Company, returned to town on Tuesday for a short stay.

50 Years Ago — March 1930

The tenth interchurch missionary rally was held at the South Church on Thursday with its usual accompaniment of good fellowship, sunshine and flowers.

There was "standing room only" in the Town Hall on Monday evening when St. Augustine's Dramatic club presented "Peg O' My Heart", a comedy in three acts by J. Hartley Manner.

Announcement is made by the trustees of Phillips Academy of the gift of a new infirmary, by Dr. Fred T. Murphy, '93, of Detroit, now a trustee of the school.

Considerable interest is being manifest among the Boy Scouts and the Campfire Girls in the bird-house contest for the generous prizes offered by the J. E. Pitman Estate.

Telephone users in Andover should

make it a point to attend the public meeting that is to be held for the purpose of considering the telephone situation here. There has been dissatisfaction ever since Andover was separated from the Lawrence exchange.

25 Years Ago — March 1955

A conservative policy was followed by Andover voters Monday night when the first segment of the annual town warrant was disposed of at a five-hour session in Memorial Hall Auditorium attended by 1174 men and women who opposed major expenditures, including funds for the erection of a new \$375,000 Colonial town building on Main Street to replace the century-old Town Hall.

Plans are being made by the Andover Board of Health for the possible administration of the Salk polio vaccine to the first and second grade pupils of the public, private and parochial schools in

Andover Little League Baseball will get underway Saturday morning when the first practice session is held at the Case Memorial Cage at Phillips Andover Academy.

The apathy of Andover citizens toward civil defense in the last few years, a symptom shared by most of the towns in Massachusetts and along the eastern seaboard, was deplored in a talk by Police Chief David Nicoll to the members of Priscilla Abbot Chapter, N.S.D.A.R. at their guest day meeting at the Legion Hall.

Ed Dewyer of Punchard High ended the season as the top scorer among Greater Lawrence suburban high school basketball teams.

10 Years Ago — March 1970

North Andover may be purchasing water from Andover after the town completes construction of a water treatment

For Those Of Us Who Are Older

By Janet D. Lake

The Haven staff will be giving you a special opportunity to meet the candidates for Town offices Friday morning, March 21, at 10 o'clock. This is your opportunity to learn the candidates' positions and to question them about your favorite issues. Don't miss it!

Tuesday, March 18, the rescheduled Stained Glass Workshop will be held from 9:30 to 12 noon. Originally planned for last Monday, it has been rescheduled because of the illness of the instructor. This is a 'one-time' workshop, so don't miss it.

The morning of March 18 there will be a regular meeting of the Andover Council on Aging at 9:30 a.m. at The Haven — Andover's senior center on Essex Street. The public is always welcome at this meeting of a Town board.

The Haven Associates will hold their

regular monthly meeting on Thursday, March 20 at 2 p.m. Everyone who uses the facilities of The Haven is invited to attend and to participate in the activities of the group. The Haven Singers are making their monthly appearance at Prescott House in North Andover Wednesday, March 19 at 1:30. Under the direction of Helen Robinson, the group brings their happy melody each month to the nursing home shut-ins in Andover and North Andover. If you love to sing, you're invited to join the group. They have a lovely time together. There will be a pot luck luncheon Monday, March 24, at The Haven at 12:30.

Since there is no school that day, the pot luck luncheon will take the place of the usual hot lunch. Do call The Haven (475-3968 or 475-6145) to let them know what you plan to contribute to the festivities. If you can't cook they can suggest things you might bring that do not require cooking — such as rolls and butter or nuts or candy or pickles. But, please do call. Not only do they need to know the probable menu, but numbers of people, as well.

The March 24 movie will be a real oldie

— Harold Lloyds in two features: 'Hot Water' and 'Safety Last.' 'Safety Last' is considered Lloyd's best film. It includes his famous "clock scene" and both films have musical soundtracks. Stay after the pot luck lunch for the movies.

The March 17 movie is entitled 'The Last Rhino,' an exciting adventure film set in Africa. It will begin at 2 o'clock, and as usual, is free. The March 18 session of the Mini-Clinic will be held at the Ballardvale United Church.

Puppet Show At Shawsheen

Friday evening, March 14, at 7 o'clock, the Shawsheen School P.T.O. is presenting the Paul Vincent Davis Repertory Puppets from the Puppet Showcase of Brookline, in "American Indian Folk Tales."

Planned to appeal to the whole family, this performance of three charming Seneca tales will be held in the Shawsheen School gymnasium and is open to the public. Tickets will be available at the door.

SCHOOL LUNCH MENU

MONDAY — Juice, hot dog on roll, baked beans, catsup, mustard, relish, St. Patrick's Day Cake, milk

TUESDAY — Chilled juice, baked macaroni w/tomato and meat sauce, whole kernel corn, French bread, oatmeal cookie, milk

WEDNESDAY — Juice, cheeseburger on roll, French fries, catsup, jello w/topping, milk

THURSDAY — Baked chicken and gravy, whipped potatoes, sliced buttered carrots, cranberry sauce, white or whole wheat bread, peach cobbler, milk

FRIDAY — Fruit punch, sliced cheese pizza, carrot and celery sticks, assorted desserts, milk.

Senior Citizens

MONDAY — Juice, Irish Stew with garden vegetables, rice pilaff, rolls and butter, St. Patrick's Cake, Choice of beverage

TUESDAY — Chilled juice, baked macaroni w/tomato meat sauce, whole kernel corn, French bread, oatmeal cookie, choice of beverage

WEDNESDAY — Juice Cheeseburger on roll, catsup, french fries, jello w/topping, choice of beverage

THURSDAY — Baked chicken w/stuffing, whipped potato, gravy, sliced cranberry sauce, rolls and butter, peach cobbler, choice of beverage

FRIDAY — Juice, baked fish portion, whipped potato, peas, catsup and tartar sauce, rolls and butter, assorted desserts, choice of beverage

JACK ANDERSON & JOE SPEAR

WEEKLY SPECIAL

Bogota Terrorists Holding
One More American HostageBy JACK ANDERSON
AND JOE SPEAR

WASHINGTON -- Once again, an American diplomat is being held hostage in a foreign land. Terrorists struck the Dominican Embassy in Bogota, Colombia, on Feb. 27, and took some 60 prisoners -- including the United States ambassador, Diego Asencio. Two dozen hostages were subsequently released, but Ambassador Asencio remains in captivity.

We have had personal experience with Colombian terrorists. We negotiated with an outlaw group for the return of a kidnapped Peace Corps botanist, Richard Starr.

The terrorists accepted us as intermediaries because of our opposition to Latin-American dictators. The negotiations for Starr dragged on for many months, then we suddenly received notice to deliver \$250,000 in cash immediately. We believed Starr might be harmed if we ignored the demand.

Our associate Jack Mitchell carried the money to Colombia in a briefcase. From Bogota, he flew southwest across rugged mountains to the city of Neiva, where he waited in a seedy hotel room near the jungle for instructions. The terrorists sent a representative who picked up the money; four days later, Starr was released. He had spent three years in the jungle.

There was something

strange about the terrorists' sudden demand for a quick ransom. They seemed in a hurry to conclude the negotiations and may have been tipped off, through the revolutionary grapevine, that a major assault was planned against the government.

Starr was held by a jungle-based guerrilla group called FARC. The raid on the Dominican Embassy was conducted by an urban guerrilla group known as the M-19. But Starr has told Colombian authorities that he believes FARC may have known about the M-19 plan to ambush the embassy.

The American ambassador, meanwhile, has been singled out by the terrorists for the most dangerous hostage duties. He has been assigned to keep watch from the windows, for example, where he can be plainly seen by the heavily armed soldiers who wait below.

Footnote: Richard Starr's mother, who depleted her own resources trying to get her son released, appealed to us for help. The \$250,000 ransom had to be borrowed. Those who wish to help pay off this loan may send contributions to the Drew Pearson Foundation, P.O. Box 2300, Washington, D.C. 20013. Donations are tax-deductible.

RELIGIOUS REFUGE: Remember all the hullabaloo over the Bert Lance scandal? He was President Carter's buddy, banker and budget director, and now he is on trial in Atlanta for

alleged banking irregularities.

Our associate Clark Mollenhoff has reported from Atlanta that the trial will probably drag on for another two months. Indeed, this is apparently the strategy of Lance's lawyers: They want to bore the jury with endless details.

But there is a human story beyond the courtroom. Throughout the long ordeal, Bert and his wife, LaBelle, have turned to religion for solace. They have consulted with their minister. They have given hymnals to their church in Calhoun, Ga.

And they have prayed a lot. They have prayed together privately and with their minister. And Bert has visited the White House, where he has prayed with Jimmy Carter.

LaBelle has gone through periods of despondency in the past. These have been brought on by the troubles of friends and relatives who have battled alcoholism, drug problems and emotional disorders. In each instance, she has turned to religion. She has attended church. She has studied the Bible. She has written religious poetry.

This has helped her survive, she has told friends. A few months ago, she was close to a nervous breakdown, but she has pulled out of it.

Now she is at her embattled husband's side in Atlanta. Every day of the trial, she has showed up in the

courtroom. While the jury watches, she pulls out her religious books and begins reading.

It is her way of enduring.

WATCH ON WASTE: About \$25 million in public money is tied up in overseas real estate that cannot be used because of political problems. State Department officials are now trying to work out a deal with Chinese leaders for \$8 million worth of property that was taken over when the communists came to power 30 years ago. Other dead holdings are in such locations as Cyprus, Albania, Angola, Laos, Ethiopia, Hanoi and Saigon.

The former U.S. Embassy in Saigon is now a museum of alleged war crimes against the Vietnamese people. In Berlin, a \$170,000 piece of property now lies beneath the Berlin Wall. And the terrorist-occupied American Embassy in Iran is worth \$6 million.

The State Department, meanwhile, is doing virtually nothing to get back the taxpayers' dollars spent for the property.

HYPOCRISY ON THE HILL: Sen. William Roth, R-Del., managed to round up an additional 42 colleagues who agreed to support his resolution calling for limits on federal spending. But the senator's co-sponsors don't appear to be too serious about their commitment -- 34 of the 42 members voted recently to increase veterans' benefits, adding \$350 million to the same budget.

Andover Series Starts
With Gong Show

The 1980 Andover Series will begin on Saturday, March 29 with its first production "The Wrong Gong Show" beginning at 7:30 p.m. at the West Elementary School Auditorium.

The Wrong Gong Show will be an exciting combination of the untalented and the talented competing against one another for top scores and prizes. A Panel of community-known judges will judge the competition and award prizes to the most talented acts and to the best gongers.

A community effort to search out the talented of Andover has just about come to a close with the Wrong Gong Show program being set for a fun filled evening of entertainment with guarantees to keep you laughing.

A selection of the acts included in the Gong Show are singers, dancers, comedians, and musicians. Come and see an escape artist escape -- or get gonged if he cannot. Seating is limited. Purchase

tickets in advance at the Dept. of Community Services Office on Bartlet Street.

The two additional programs offered by the Andover Series will be the National Marionette Theatre which will come to the West Elementary School on Sunday, May 4 and the Concert Dance Company of Boston which will perform on Sunday, May 18.

Nursing Assistant Training

A nursing assistant program will be conducted at the Essex Agricultural and Technical Institute beginning April 7. Students will take their clinical training at the J.B. Thomas Hospital in Peabody.

The 10-week day school program prepares graduates for employment in hospitals and nursing homes.

Interested persons may obtain enrollment details by calling the admissions office at the school in Danvers.

41 THE TOWNSMAN, MARCH 13, 1980

Support Drama Club

To the Editor of the TOWNSMAN:

This Thursday, Friday and Saturday the Andover High School Drama Club will be presenting a musical play, "Guys and Dolls," based on Damon Runyon's story about the characters who populate New York's Broadway. Approximately 100 students and two very dedicated teachers, plus interested parents, have spent long hours preparing for the production. These students represent all that is positive about Andover's youth. They have worked hard, as a team, to bring about an active pleasure — entertainment.

Now is the time that we in the community can show that we support their efforts. It is especially important that those who represent the interests of the school system indicate their backing. Many times we have stressed the negative effects of a few troubled teenagers. Now we have the opportunity to present the positive. Let us encourage these fine youths by supporting their efforts and attending the production.

Bob and Esther Feier
Lou and Judy Yelle
Dennis and Ruth Doherty
Anthony and Noreen Mausmo
Pallongi and Barbara Bhiladvala

Thanks!

To the Editor of the TOWNSMAN:

Last year the Town worked together with the Andover Schools and churches to raise money for F.A.S.T. (Fight Against Starvation Today). Half of the money (\$8,000) that was raised was sent to CARE in Bolivia.

The situation of Bolivia at that time was very serious. Living conditions are severe and the obstacles toward progress are numerous and complex. Malnutrition is widespread, innumerable diseases plague the population, and over sixty percent of the population is illiterate.

The people who received money live in urban and suburban areas throughout Bolivia. Their family income is usually less than \$45 per month.

Dietary supplements are provided by CARE for new mothers and mothers-to-be, as well as for their pre-school aged children. In addition, there are medical services and classes in nutrition education, mothercraft, and responsible motherhood. Also, select groups of fathers participating in education courses and vocational training programs receive

supplements for their pre-school aged children.

The Feeding Program includes a Food-For-Work component as well. This program provides jobs building sewage systems and roads for the unemployed/underemployed. These workers receive a monthly food supplement for themselves and their families.

To all those people who participated in or contributed to the FAST program and Walk-a-Thon, CARE and the Bolivians say "thank you."

Mary Ellsworth
Andover High School

On Voting?

To The Editor of the TOWNSMAN:

The polling sites of Andover should be returned to the precincts and to the people where they belong.

Tuesday, March 4 was bright and sunny and there was no snow upon the ground at Andover High School.

The elderly could walk the two blocks from parking to polling place without much danger. Certainly this was an exception because most Massachusetts Marchs are not so hospitable.

Handicapped parking is available, but I am sure that many citizens of Andover, including myself, would like to see polling sites returned to the precincts for convenience and safety and participation by the citizenry.

If I were Mayor Daley and wanted to control the voting, I could not come up with a better scheme than centralized voting at Andover High.

Raymond H. Berger
4 Timothy Drive

Had and Mad

To the Editor of the TOWNSMAN:

I've been had and I am mad! (Angry is more correct but it doesn't have quite the same ring.) I obviously don't enjoy telling my fellow citizens of Andover that I was taken but I feel I owe them all a warning.

As a new business operator in the town

of Andover, I fell prey last summer to a slick-talking young man selling — of all things — magazines. He appeared honest, industrious and ambitious. Going against all previous instincts, I did take out a three-year subscription, of Redbook in which my company advertises.

When months passed and no magazines had arrived at our studio, I did some quiet checking. Not only, I found out to my chagrin, did I pay a 200% premium for the three-year subscription, it was also

entered as only a one-year contract!

I have had cooperation and assistance from the Consumer Advocacy Office of Greater Lawrence and have the matter partially resolved. However, I say to all of you in business and at home — Beware and be careful of the door-to-door magazine scam. If you want to see the most expensive copy of Redbook in Andover, drop by the Merle Norman Cosmetic Studio at 93 Main Street in Olde Andover Village.

Redbooked and redfaced,
Judy Fazioli

Great Wall

One of the most formidable fences of ancient times was the Great Wall of China, completed between 246 and 210 B.C. It measures 2,150 miles long along its main branch and has a total of 1,780 miles of additional wall in its branches and spurs. It is up to 32 feet thick in some places.

This page, top photo, School Committee Candidates Donald Robb and Joseph Baglio discuss issues with Sandy Stark and at bottom, Candidate Richard Neal talks about the schools with Jane and Larry Melia.

All-Stars Move To Title Game

By Rick Harrison

The Andover All-Stars, bidding for their second straight tournament championship, have battled to the title game of the 18th annual Greater-Boston Pre-Teen Invitational Youth Basketball tourney with victories over the Woburn Boy's Club and Wakefield at Solmerville High.

Andover has now won six consecutive

tournament games, including four straight enroute to the first annual Mount Wachusett Community College Invitational title in Gardner recently.

Clutch shooting in the final minute by Billy Lane, Tom Lutz and Tim Perry lifted Andover to its come-from-behind 37-34 triumph over the tough Woburn Boy's Club in the quarterfinal round.

This past Sunday the locals, comprised of seventh grade standouts, rode a spectacular all-around performance by Mark Doherty to a 47-27 semifinal conquest of Wakefield.

Doherty scored 15 points, dished out nine assists, added six steals, and simply ran the show with tremendous poise.

Andover, 37-34

After leading throughout most of the game, the Andover All-Stars found themselves trailing Woburn 34-31 with slightly over one minute to play.

Billy Lane started the clutch comeback, swishing a pair of key free throws after being fouled in some hectic rebounding action.

Lane's charities cut the Andover deficit to 34-33 with 44 seconds to play.

Woburn turned the ball over on its next possession, and the locals took advantage as Tom Lutz worked inside for the go-ahead lay-up with 29 seconds remaining.

Once again Woburn lost possession, but with 16 seconds left Andover hurried a shot and the ball fell off the front rim.

Tim Perry snagged the big rebound, however, and laid the ball in for the insurance bucket to ice the victory.

Andover grabbed a quick 4-0 lead on a Billy Lane lay-up and a pretty give-and-go play between Mark Doherty and scorer Rich Dunn.

Woburn countered with eight unanswered points, but the locals fought back to an 8-8 deadlock when Doherty swished two free throws and Tom Lutz hit from in close.

Andover jumped ahead 18-12 at half-time, with Chris Comparato tossing in tow baseline shots and Dan Sheehan converting two foul shots late in the second quarter.

Dave Compentoro, who scored all eight

of Woburn's third period points, hit six straight to start the period as the score went to 18-18.

Tim Perry finally got Andover untracked with a pair of hoops, enabling the winners to carry a slim 22-20 lead into the final session.

Woburn, which draws players from Woburn, Reading and Winchester, moved to its 34-31 lead with some uncanny foul shooting. Mike Cardo swished 4-of-4 from the line, and Scott Panolano hit 3-of-4 in the period.

That set the stage for the late heroics by Lane, Lutz and Perry.

Tim Perry led the seven-player Andover offense with 11 points, Tom Lutz and Mark Doherty added 6 each, Billy Lane 4, Danny Sheehan 4, Chris Comparato 4, and Rich Dunn 2.

Mike Melia and Glenn Livermore also played well for the winners.

Compentoro was game-high for Woburn with 13 points, Cardo added 10 and Bob Carpin 6.

Andover enjoyed a 14-11 edge in fieldgoals. Woburn hit 12-of-20 free throws and the locals converted 9-of-13.

Andover, 47-27

Andover took its time getting untracked, inching ahead 19-13 at halftime, but the winners controlled the final two quarters with 14-5 and 14-9 scoring edges.

Mark Doherty, despite being hampered by a somewhat painful bone bruise on his left foot, played perhaps the finest all-around game of his life with the 15 points, nine assists and six steals.

Tom Lutz, also slightly hobbled by a tender left ankle and thigh bruise, played inspired ball with 13 points and numerous rebounds.

Billy Lane and Tim Perry doling out

(Continued on Page 51)

**Losing
Effort**

Andover's Kip Jones lets loose with a jump shot in last week's losing effort against Cambridge Rindge and Latin school in the quarter-final round of the Division I Eastern Mass. tournament. The Cambridge school, eventual tourney winners, reached the semi-finals of the state tournament with a win over Don Bosco Tuesday night. Andover finished its season 18-2 in regular season play.

Christ B Finishes Undefeated

By Rick Harrison

Christ Church B made it official, trimming St. Augustine F 29-10 last week to finish undefeated and capture the 1979-80 Andover Church Basketball League Intermediate "Blue" Division championship.

In other season-ending "Blue" action, once-beaten West Parish B slammed Ballardvale United B, 42-10, third place St. Robert's E dumped south, 32-23, Baptist topped Ballardvale United A, 16-2, St. Robert's D slipped past West Parish C, 13-6, and Christ Church A stopped St. Augustine E, 24-8.

The title was actually decided three weeks ago, when Christ B erased an eight-point halftime deficit enroute to a tense 30-29 win over West Parish B.

Christ B, 29-10

Glenn Livermore tossed in eight points during the pivotal third quarter, when the champs outscored St. Augustine F 9-2 to break the game open.

St. Augustine was still within striking distance at halftime, trailing 13-6, but the third period was the killer.

Livermore led Christ B to its 11th straight victory, swishing a game-high 12 points, while Eric Anderson added 7 points and Gretchen Suchodolski 4.

Roger Fisk contributed a bucket, Andy Cummings swished a pair of fourth period free throws, and single charities were pocketed by Billy Earnshaw and Allen Gable.

Rounding out the roster of Coach Bill Earnshaw's championship squad are Lori Ahouse, Steve Blair, and Nancy Rogers.

Drew Dunn paced the St. Augustine F offense with 6 points, Pete Lyons delivered a second quarter basket, and Chris Boyle netted a fourth period fieldgoal.

Other standouts were Jeff Holmes, Jeff Smith, Mike Lane, Paul Davies, Billy O'Brien and Brian Costello.

West B, 42-10

Seven different players scored for West B, which finished the season 10-1 with the lone loss the one-pointer against Christ B.

West B vaulted to a 10-0 first period lead, stretched it to 18-2 at halftime, and proceeded to outscore Ballardvale United B by a 24-8 margin after intermission.

Divisional scoring king Tim Boudreau, a talented 10-year-old guard, tossed in a game-high 12 points for the winners. That boosted his seasonal output to 165 points (15.0 average), tops in both Intermediate divisions.

Austin Henderson also hit double figures for West B, pumping in a personal-high 10 points, while Rich Dunn and Robbie Barnard netted 6 points apiece.

Robbie Thompson stuffed 4 points, Dave Desmarais 2 and Nick Bates 2.

Dunn was strong off the boards, and hustling defensive efforts were extended by Boudreau, Thompson and Bates.

Dave Baker dunked 6 points for Ballardvale B, while fourth period baskets were chipped in by Scott Sarcione and Glenn McLeod.

Other BU stalwarts included John Bird and Fran Robinson.

St. Robert's E, 32-23

The outside marksmanship of Gerry

Nassif and Chris Concemi lifted youthful St. Robert's E to its ninth victory in 11 games, an impressive 32-23 decision over a strong and scrappy South squad (8-3).

Nassif and Concemi combined talents for 22 points, the former canning 12 and

Andover Pee Wee A's Split Pair

During a weekend when all American had their eyes on hockey at Lake Placid, N.Y., the Andover Hockey Association's Pee Wee A team was hosting its third annual Invitational Tournament at Philips Academy. This year teams from Concord, N.H., Brunswick, Me., and North Andover participated in what turned out to be a very exciting and closely contested tournament. Of the four games played, three were decided by sudden death overtime.

North Andover won the cup with a 4-2 victory over Brunswick on Saturday and a 5-4 overtime win over Concord on Sunday. Andover took runner-up honors with a 3-2 overtime victory over Brunswick on Sunday. This came on the heels of a heart breaking 3-2 overtime loss to Concord on Saturday evening.

After the opening ceremonies, North Andover and Brunswick played to a virtually standstill for a period and a half on goals by Brunswick's St. Onge and North Andover's Cavanaugh. North Andover pulled ahead 2-1 in the second period when Andy Heinze scored. Third period goals by Burke and Keves iced the victory for North Andover with Paluska scoring for Brunswick.

Concord 3, Andover 2 (OT)

The second game of the evening pitted host Andover against Concord, N.H. Splitting the goaltending duties for Andover were Greg Najjar and James Marocco who both taurined in exceptional performances throughout the weekend series. The only goal of the first period was scored by Concord's Billy Matthews midway through the stanza. Otherwise play was fairly even. As the second period got underway, Concord began to conglol play and took a two goal lead at 7:17 on Cassavaugh's tally. However, Andover came to life at this point and began to dominate play. Initially the line of John Marocco, Tom Marjerison and Mosa Kaleel applied steady pressure with Marjerison scoring on a rebound in close off Marocco's shot from 20 feet out at the 0:43 mark. Although Kaleel did not assist on

the goal, he set-up the scoring rush with his steal at center ice.

Andover continued to control play as the next shift of Steve Duncan, Jeff Kennedy and Shane Smith had three strong scoring opportunities just before the buzzer. As the third period opened, the unit of David Bartle, David Curtis and George Heseltine continued the onslaught in the Concord zone only to come away empty handed. With time running out, Andover's defensive units continued to force play in Concord's end. Coach Gilmartin pulled his goals in favor of a sixth skater with a minute to go. With 10 seconds remaining and play deep in the Concord end, Mike DelTreccho lifted a high backhand shot toward the net. As he went to the net, Shane Smith knocked home a waist high rebound to tie the score at 2-2 with three seconds left on the clock. As a result of the bench clearing celebration after Smith's goal, Andover was given a delay of game penalty which carried into the overtime.

Andover opened the O.T. on the offensive with shots by Heseltine and Marjerison. However with time running out, Concord's Matthews set-up Tom Philbrick with the game winner at 2:01 on a score that was picture perfect. Although they lost, Andover played extremely strong defensively. Backboning the offensive attack were blueliners Paul Gilmartin, Fran Ferrara, Earl Abdo, Mike DelTreccho, David Weymouth and Shaun Bateson. Turning in strong offensive games were Marjerison, Kennedy, Smith, Pomeroy, Duncan, Kaleel and Marocco. As an indication of how close the game was played, each team had 19 shots on net during regulation play. During O.T., Concord outshot Andover 4 to 2.

Andover 3, Brunswick 2 (O.T.)

On Sunday morning after the heart-breaking loss on Saturday, Andover had to regroup and face a tough Brunswick team led by All-Tourney Goalie Eric Baker. As the game started, the Andover line of Duncan, Kennedy and Smith picked up where they left off the night before with Kennedy and defenseman Ferrara being robbed on

near-scoring opportunities. Brunswick managed a 1-0 lead after one period on a Fossum's goal at 4:05. Shots on goal were even six each.

The second period remained scoreless as Pomeroy, Kennedy, Duncan, Del Treccho, Bateson, Marjerison and Smith were all turned aside by Baker in the Brunswick nets. The third period was all Andover and with 2:47 gone, the locals were able to break the ice. The scoring drive started with Ferrara picking up a clearing pass at the blue line, firing to Center Dave Curtis in the left face-off circle, who then shot on net. At the last instant, George Heseltine redirected the blast into the lower right hand corner for the equalizer.

The score remained tied until the midway point when Marjerison put Andover ahead 2-1 on an unassisted goal as he tucked the puck in the lower left side after lugging it in alone from center ice. Once

up by one, Andover continued to apply pressure as Bateson, Kennedy, and Curtis were all denied on shots from in close. As time wound down and victory seemed in hand, Andover was dealt another tough blow as Brunswick's Ben Hunter scored off a face-off with only seconds left to play.

However, as overtime started, Andover was not to be denied this time. Winger Shane Smith picked up an errant Brunswick pass at center ice, circled the defense and fired home his own rebound only ten seconds into sudden death play to give his team a well deserved 3-2 win. Smith's goal was the climax of an all around strong performance turned in by every Andover player throughout the game. Andover totally dominated play in the last two periods and O.T. and out-shot

Dartmouth, Harvard Pace Playoffs

By Rick Harrison

Dartmouth and Harvard remained the only undefeated teams in the Andover Youth Basketball League Intermediate Division double-elimination playoffs, as the Big Green trimmed Holy Cross 29-18 and Harvard rolled over Boston College 48-24 last week at West Junior High.

The victories left Dartmouth and Harvard at 2-0, while Holy Cross slipped to 1-1 and BC was eliminated (0-2).

The third contest last week saw regular-season champ Villanova remain in contention, bouncing back with a come-from-behind 40-38 overtime triumph over tough-luck North Carolina State.

The Wildcats are now 1-1 in the tourney, while the Wolfpack bowed out at 0-2.

Last night, after presstime, play resumed with Dartmouth facing Harvard and Holy Cross meeting Villanova.

Dartmouth, 29-18

Dartmouth hiked its overall record to 10-2, but it wasn't until the final few minutes of the game that the winners broke things open.

Trailing 3-0 in the early stages of the opening quarter, Dartmouth rallied for an 8-5 edge when Mark Doherty scored two buckets, Robbie Pauline added one, and Dan Sheehan swished a pair of free throws.

The victors increased the lead slightly to 13-9 at halftime. Baskets by Eric Friedenson and Sheehan, plus a Doherty foulshot, offset a pair of fieldgoals by the Crusaders' Chris Comparato.

A three-point play by Stu Leinson, along with a basket from Larry Aiello, increased the Dartmouth spread to 18-11 after three periods.

Holy Cross closed the gap to 20-16 early in the final stanza, as Kevin Bardsley and Comparato netted fieldgoals and Lisa Marcella a free throw.

However, Dartmouth escaped on a 9-2 run over the final four minutes to ice the decision. Mark Doherty had three key baskets, Larry Aiello a fieldgoal and Dan Sheehan a free throw during that late outburst.

The Crusaders' cause was hurt when both Comparato and Marcella fouled out in the closing minutes.

Mark Doherty shared game-high point honors with 11, Dan Sheehan added 7, Larry Aiello 4, Stu Leinson 3, Robbie Pauline 2 and Eric Friedenson 2.

Joe Flosman and Tim Meehl also played well for the Big Green.

Chris Comparato tossed in 11 points, Kevin Bardsley 2, Scott Kelly 2, Steve Gemmell 2 and Lisa Marcella 1 for Holy Cross.

The Crusaders, who nudged N.C. State 17-14 the previous week, fell to 7-5 overall.

Harvard, 48-24

Harvard, now 6-6, received another awesome offensive display from divisional scoring king Tim Perry who poured through a season-high 38 points to personally destroy Boston College.

Perry, with 328 points and a flashy 27.3 per game average, netted 14 first half points before heating up to score 24 after intermission.

Tom Novelline chipped in 4 markers while Steve Colitz, Dave Murchie and Dave Maguire contributed single baskets.

Harvard opened the playoffs by stunning Villanova, 38-30.

Boston College, which trailed only 20-14 at halftime, was powered by Joe Hart with 16 points.

Lydia Wise notched 4 points, Mike Burke 2 and John Tateosian 2 for the Eagles.

Charlie Lowe put forth his usual hustling effort for BC.

Villanova, 40-38 (OT)

Villanova, lifting its overall ledger to 11-1, battled back from a 13-2 first quarter deficit to oust North Carolina State.

The Wolfpack, which dropped four regular season games by margins of five or less points, spotted Villanova a quick 2-0 lead on a Tom Lutz bucket.

The remainder of the opening period was all N.C. State, however, as red-hot Greg Hopwood pumped through nine points to key a 13-0 run.

Villanova bounced back to grab an 18-17 halftime lead, outgunning N.C. State 16-4 as Lutz stuffed eight points, Mike Melia four, John Nuzzo two and Jon Yezerksi two.

The rivals traded buckets for the most part in the second half, with Hopwood and Mark Patti keeping the Wolfpack in contention.

The teams found themselves locked in a 35-35 tie at the end of regulation time.

Patti swished three free throws for N.C. State during overtime, but Villanova countered with a bucket by Lutz, two charities by Lutz, and a single free throw

Jog-A-Thon To Benefit Program

The Big Brother/Big Sister Association of Greater Lawrence is having its annual Jog-A-Thon Sunday, April 13 at the Lawrence Stadium, to raise funds which will provide services to boys and girls from single-parent families.

The Big Brother/Big Sister Jog-A-Thon is a "fun run" — not a competitive race. Each entrant must provide sponsors who will make a donation for each mile run.

AYBL Awards Banquet Is April 8

The 1979-80 Andover Youth Basketball League Awards Banquet will be held April 8, beginning at 6:30 p.m., at the Greater-Lawrence Regional Vocational Technical High School on River Road in West Andover.

The guest speaker for the affair will be former Boston Celtics' muscleman Jim Loscutt, who now lives in Andover and operates Camp Evergreen.

No tickets will be sold at the door. They must be purchased in advance.

Tickets may be bought next Monday night, March 17, between 7:30 and 9:30 p.m. at East Junior High.

Tickets will also be on sale consecutive Wednesday nights, March 19 and 26, between 6 p.m. and 8 p.m. at Bancroft School.

The Jog-A-Thon routes are five or 10-miles long. Free refreshments will be served to all participants.

Running for Big Brother/Big Sister will serve the youth of the Greater Lawrence community.

Call the Big Brother/Big Sister Association of Greater Lawrence for more information and to enter the Jog-A-Thon, or stop in at the Big Brother/Big Sister office at 477 Essex St., Lawrence.

AYBL

(Continued from Page 48)

from Matt Ostrowski.

Tom Lutz finished the game with 20 points, Mike Melia added 10, Matt Ostrowski 3, Jon Yezerksi 3, John Nuzzo 2 and John Terrion 2.

Jay Trepanier and Paul Valcourt also starred for the Wildcats, who captured three of their last four regular season games by margins of three or fewer points.

Greg Hopwood was game-high for N.C. State with a personal best 25 points.

Mark Patti chipped in 7, Tom Deleire 3 and Mike Morris 3 points.

Rob DiTroia also played well for the Wolfpack.

Andover Hockey Association

Squirt "A" Team

Wilmington League

Andover 4
Somerville 1

The Squirt A's had a well balanced team effort, outplaying Somerville in every department. On the game's first shift, Dave Riddiford, Chris Sapuppo and Matt Alden put on tremendous offensive pressure, and Alden almost scored on a good wrist shot from 10 feet out. Andover's all out offensive effort cost them two penalties in the first period, but penalty killing units were very effective, and almost scored shorthanded a couple of times. Later in the period Pat Breen, Kyle McCabe, and Brent Raftery, with Tom Tormey and Matt Young on the points, put on an excellent power play.

Somerville scored its only goal in the first period, when Andover's defense got disorganized and couldn't clear the puck. But Jamie O'Brien tied it up with a good shot from in close, set up by Mark Neaves and Steve Donovan after some heavy work around the net. A few minutes later Matt Young started the go-ahead scoring play, taking a hard shot from near the blue line, which was partially blocked, but in the ensuing confusion Breen go the puck to Raftery for the goal.

Defensemen Peter Trede and Mark Berberian provided solid defense throughout the game. This gave goalie Jim Berberian a fairly easy time, and he was up to the few times he was tested. Andover continued to dominate, and midway in the second period, Steve Donovan sent Mark Neaves away on a two on one break with Mike Nelligan. Mark drew the lone defenseman over and slid a perfect pass to Mike, who put a shot between the pads of the sprawling goalie.

The same line scored again in the third period, when Mike took the puck around the net and set up Mark in close for a shot which was blocked, but Steve alertly picked up the rebound and drove it in for the 4th goal.

The whole team should be congratulated for sharp passing and non-stop hustle.

Pee Wee B

Lady Luck abandoned Andover's Pee Wee B's again last weekend as the team played well in its two games and came away with a loss and a tie. With even a small dose of good fortune each game could have ended up as a win for Andover.

Wakefield 2, Andover 1

David Barry started the game in net for the B's and made several excellent saves in the early going of this Saturday afternoon game. David's work seemed to give

his teammates a lift as Andover began to exert offensive pressure about ten minutes into the first period. The score came as a result of an excellent rush by defenseman Mark Paskowsky who took a pass from Jeff McNeil and moved down the left side. As he moved to the right he took two defenders with him and managed to kick the puck to a closing Ronnie Forbes, who put a quick wrist shot by the Wakefield goalie. Larry Prestia, Tommy Herling and Shannon McCabe continued the first period pressure but could not get a shot by the goalie. Wakefield's few rushes in the second half of the first period were borken up by defensemen Sandy MacNeish and Brian Gibson. The second period began rather sluggishly for both teams, but Wakefield came to life for a brief time halfway through the period, scoring twice on one shift. The second goal was a deflection of an Andover player. The entire second half of the game was dominated by Andover. Forwards Timmy Donovan, David Young, and Chris Madden led the charge, but the puck was just not bouncing their way. Defensemen Matt Shine and John Gangi consistently kept the puck in the zone from their positions at the point but it was all to no avail. Neither team scored over the last 15 minutes, as Kenny Young was equal to everything Wakefield threw against him as fellow goalie David Barry had been earlier in the game.

Andover 3, Swampscott 3

The frustration continued for the B's on Saturday as they saw a 3-0 lead evaporate with Swampscott scoring twice in the final two minutes to gain the tie. Ronnie Forbes scored Andover's first goal in the first period, completing a play begun by Matt Shine and Jeff McNeil. The B's scored twice more in the second period, as John Gangi and David Young managed to beat the Swampscott goalie. John's goal was an excellent solo effort. Things went down hill after the third goal. A unit of defensemen Brian Gibson and Mark Paskowsky, and forwards Billy Bruno, Shannon McCabe and Chris Madden spent their entire shift in the Swampscott Zone, but they could not get the puck in the net. Swampscott finally scored to make it 3-1 just after the nine minute mark of the third period. Andover continued to exert pressure until Swampscott forced a faceoff in the Andover zone with a little more than two minutes left in the game. Swampscott then pulled their goalie to get

the extra skater and promptly scored from a scramble in front to make it 3-2. Andover then missed the empty Swampscott net three times in less than thirty seconds. Swampscott forced another faceoff in the Andover end and scored to tie it up with about a minute left. Andover spent the

final minute pouring it on the new returned Swampscott goalie, with Timmy Donovan and Sandy MacNeish getting particularly strong scoring bids off. Again, luck was not with the boys as the game ended with the score 3-3. Both Kenny Young and David Barry played very well in the Andover nets in the game.

(Continued from Page 44)

several pretty assists.

Danny Sheehan, slowed by a tough of the flu, flipped through 3 points, Chris Comparato swished a pair of free throws, and Glenn Livermore chipped in a bucket. Lutz and Lane sparked the third quarter burst with eight and four points respectively, while Doherty netted six points in the final stanza.

Also turning in strong performances for Andover were Rich Dunn, Austin Henderson, Mike Melia and Robbie Barnard.

Andover poured through 21 fieldgoals and hit 5-of-13 free throws.

Steve Collins and Dave Roche led Wakefield, which won the Pre-Teen Tournament last year, with eight points apiece.

Title Game

Andover should face its stiffest tournament test to date this Sunday, when the locals tap off against Newton for the championship.

Newton, with a height advantage and a talented penetrating guard, eliminated St. Catherine's of Somerville 52-44 in the other semifinal.

The box scores:

Andover 37, Woburn 34

Andover (37) — Lane 1-2-4, Perry 5-1-11, Lutz 3-0-6, Sheehan 1-2-4, Doherty 1-4-6, Comparato 2-0-4, Dunn 1-0-2, Melia 0-0-0, Livermore 0-0-0. Totals: 14-9-37.

Woburn (34) — Cardo 2-6-10, Panolano 0-3-3, Carpin 3-0-6, Compentoro 5-3-13, Whimpwood 0-0-0, Maguire 1-0-2, Vail 0-0-0. Totals: 11-12-34.

Scoring by quarters: Andover — 8, 10, 4, 15 — 37; Woburn — 8, 4, 8, 14 — 34.

Time: Four 6-minute periods

Fouled Out: Sheehan

Andover 47, Wakefield 27

Andover (47) — Lane 3-0-6, Perry 3-0-6, Lutz 6-1-13, Sheehan 1-1-3, Doherty 7-1-15, Comparato 0-2-2, Dunn 0-0-0, Melia 0-0-0, Henderson 0-0-0, Livermore 1-0-2, Barnard 0-0-0. Totals: 21-5-47; Wakefield (27) — Higgins, 1-2-4, Collins 4-0-8, Majeski 0-0-0, Carino 1-1-3, Miceli 2-0-4, Roche 3-2-8, Connors 0-0-0, Milinazzo 0-0-0, McCarthy 0-0-0, Judd 0-0-0, Keane 0-0-0. Totals: 11-5-27.

Scoring by quarters: Andover — 14, 5, 14, 14 — 47.

Wakefield — 6, 7, 5, 9 — 27.

win over Rolf's Sunday at Brooks School. After a sluggish start, Mark Needham sparked his team with a rink length rush. His shot was blocked but Mark Dorsey trailing the play picked up the rebound and fired it home to put Indian Ridge up 1-0. Gary Joiner carried the puck behind the New Indian Ridge net and fed Jack Sweeney, alone in front, for the tying score. After Mark Needham put the Ridge back on top, Sweeney and Joiner combined again to tie the score with Ian Anderson also drawing an assist. Aggressive play by Jonathan Butt and Andrew Osborn set up New Indian Ridge's third goal by Bobby Smith. Butt stole the puck behind the net and slid it over to Osborn who passed to Smith at the post for the winning goal. Lukas Wennick and Hughie Maginnis combined on one of the prettiest plays of the season to put Indian Ridge up 4-2. Wennick worked the puck out of his zone and sent a perfect blue line to blue line pass to Maginnis who had cut behind the defense. Maginnis went in alone for the score. Mark Needham closed the scoring with an unassisted tally. David Hennessy turned in a strong defensive game for New Indian Ridge.

Olympic Sport Shop 4

Andover Jade 2

Two streaks were snapped Sunday at Brooks School as Olympic Sport Shop downed Andover Jade 4-2. While Olympic gained their first victory in four starts, they snapped Andover Jade's four game winning streak.

Olympic jumped out to a two goal lead

Excellence

The National Statistical Research Company of Chicago has awarded a Certificate of Excellence for the year of 1979 to The Victor Company.

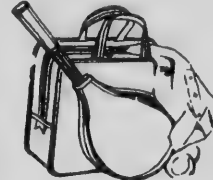

The award is based on a computer analysis of hundreds of thousands of questionnaires sent to recent home buyers asking for an evaluation of the service they received from the real estate firm who handled their transaction.

The Victor Company Inc. scored above the national average in excellence to merit this outstanding recognition.

The National Statistical Research Company was founded in 1968 to assist the real estate industry in offering better service to their customers.

on goals by Sean Tetler and Brian Costello. Tetler and Costello assisted on each other's goal. Hard working Lou LoPresti fed the puck out of the corner to Geoff Wragg at the left point, Wragg then sent a sharp pass to Matt Adams in the slot and in one motion Adams fired the puck into the net to narrow the score to 2-1. Olympic stormed back to take a three goal lead on goals by Don Cannava and John Twomey. Greg Tormey picked up a well deserved assist on Twomey's goal as he worked the puck into the Jade zone and passed to Twomey in the slot for the score. Tom Sheehan closed the scoring for the Jade with an unassisted tally.

Senior Division Concludes

West Parish B, St. Robert's and West Parish A all posted victories as the Andover Church Basketball League Senior Division concluded play last week at East Junior High.

West Parish B trimmed St. Augustine A, 33-22, St. Robert's edged St. Augustine B, 45-42, and West Parish A nipped Ballardvale United, 41-38.

West Parish B 33-22

West Parish B bolted to a 21-8 halftime lead, increased it to 31-11 after three periods, and then coasted home against St. Augustine A.

Mike Blair led the West B attack with 11 points. Mike Darwin chipped in with 9 markers, Ted MacDonald added 8, Brian Orlando 3 and Dylan Callahan 2.

Tim Hurley emerged as game-high scorer for St. Augustine A with 14 points, Martin Yaghmorian netted 4, while solo fieldgoals were tossed in by Stephen Landry and Tom Bolduc.

St. Robert's 45-42

Bobby French and Ken Saliba combined talents for 38 points, sparking the divisional champion St. Robert's team to a hard fought victory over a game St. Augustine B crew.

St. Robert's inched ahead 9-6 after one period, made it 25-14 at halftime fell behind 27-25 midway through the third quarter as St. Augustine's went on a 13-0 run, and then rallied behind French (7) and Saliba (4) to close out the period with a 38-31 lead.

French and Saliba finished with 20 and 18 points respectively, while Yvan Levesque added 7 and numerous rebounds.

Steve Farrington powered the balanced St. Augustine B offense with 10 points, Steve Lacourse popped in 8, Jim Stelzer 7, Peter Scanlon 6, Tom Murphy 3, and single

buckets were scored by Bob Scanlon, Mark Boyle, Jeff Walnick and John Sheedy.

West Parish A

41-38

West Parish A (6-4) fought off a determined fourth quarter rally by Ballardvale United to gain their fifth win in the last six decisions.

West A enjoyed leads of 15-6, 23-16 and 35-24 at the first three checkpoints, but Ballardvale made it close by outscoring the victors 14-6 in the final stanza.

Divisional top scorer (168 points) hit double figures for the tenth straight game, pacing the West A attack with 14 points.

Chris Marcella flipped through 9 points, Ian Torok and John Robbins scored 6 apiece, while single baskets were tossed in by Jim Lowe, Scott Berteddi and Tim Maxfield.

Art Dunlavy led the answering fire for Ballardvale with 18 points, Rod Hollenbeck pocketed 10, Rob Robinson 6, and Donald Hinckley canned two fourth period fieldgoals.

Foul Shooting

The finals of the divisional foul shooting contest were held Wednesday (after press time) at the Sanborn School.

The participants were: Mike Blair, West Parish B; Martin Yaghmorian, St. Augustine A; Art Dunlavy, Ballardvale United; Bobby French, St. Robert's; Bill Weidman, West Parish A; Steve Farrington, St. Augustine B.

on the block.

Why back-to-basics
education
begins with an Apple II.

Reading, writing and mathematics skills - they're part of a basic education. And they're three good reasons why more parents are bringing home Apple II personal computers. The Apple II helps students sharpen their skills, stimulate their imaginations, motivate them to learn more, and offer new creative challenges with music and color graphics. If the Three R's are important to you, come see what the exciting Apple II can do.

Playoff Action Gets Underway

After the dust had settled at the Bancroft School last Saturday, only four teams were still alive in the battle for the Department of Community Services Girls' Basketball League playoff title. The opening round action provided some great excitement as two of the games were decided by less than a three-point margin.

In the first game of the day, the Doherty Dunkers advanced into the second playoff round by defeating the Jets 12-2. The Dunkers, who finished in second place in regular season play, had little trouble with the young Jet Squad who had yet to break into the winning column. Jennifer Ippolito once again proved to be high scorer for the Dunkers by pumping in half of her team's

points while the lone scorer for the Jets was Marci Lehowits.

The second team to advance into the semi-final round was the Sanborn Supersonics who edged out the Shawsheen Red Hots, 9-6. The deciding factor in this closely matched game was the individual scoring effort of Supersonic player Ronnie Kouner. Her six points plus Carolyn Tiberi's three points gave the Sanborn team the victory. Red Hots' players Shelly Roocker and Janie Leech gave a fine effort in their team's play but came up short in the end.

The last semi-final berth went to the Doherty Dribblers who outscored the Bancroft Bullets 8-6. Although both teams

demonstrated a well balanced plan of attack, the extra two points scored by Dona Leith decided the outcome. In addition to Ms. Leith, Katy Murphy and Rubina Carver also scored for the Dribblers while Deane Bardetti, Christina Gargalowitz, and Melissa Johnson added two points each for the Bullets.

Semi-Final Round Play

Game 1 (at 9:00) Doherty Dunkers vs. Sanborn Supersonics

Game 2 (at 10:00) Doherty Dribblers vs. Blazers

Tournament

(Continued on Page 46)

their guest by a margin of 29-11.

The line of Smith, Kennedy and Duncan combined for nine shots, the line of Marocco, Marjerison and Pomeroy had 13 and the Curtis, Bartle, Heseltine unit had seven. Again for the second straight day, the defensive pairings of the Bateson-Weymouth; Abdoo-DelTrecco, and Ferrara-Gilmartin played exceptionally well in protecting Morocco and Najjar in the local nets.

North Andover 5, Concord 4 (OT)

In the final game, North Andover won the Cup with a 5-4 O.T. victory over Concord. This game saw North Andover squander a 4-0 lead with Concord getting the equalizer with three minutes remain-

ing in regulation play. Jay Logue scored the winning goal at 2:10 of sudden death for the victory. Other North Andover goals were registered by Keves (Osborne), Ronan (Logue, Cavanaugh), Heinze (UN) Keves (Docray, Heinze). Concord goals were registered by Matthews (Pother, Philbrick, Matthews (Philbrick), Potter (Matthews) and Potter (Matthews, Clay).

All Tournament Team

Immediately following the game, Andover parents put on an awards luncheon for the players and parents of all the participating teams. During the awards presentation, A.H.A. President Dick Benson congratulated all the participants on their good sportsmanship and exciting play during the series. It was also pointed out how new friendships were developed through this tournament and that its overwhelming success for the third year running was a great boost to the A.H.A. program.

Andover placed three boys on the all tourney team this year. Defenseman, Shaun Bateson, who lead the defensive units with his strong two-way performance, was picked for the team. Center Tom Marjerison, who scored two critical goals and played two outstanding games was chosen. Finally, left wing, Shane Smith, with his goal that sent the first game into overtime and his second goal in sudden death overtime of the second game, along with his all-around hustle was also named to the squad.

Brunswick members of the all tourney team were Eric Baker, Billy Bodwell and Steve Weatherbie. Concord players included John Potter, Bill Matthews and Tom Philbrick.

North Andover squad members were Andy Heinze, Jay Logue and John Burke. All in all, the Third Annual Andover Pee Wee Invitational Tournament was again a tremendous success.

Cattail Fuel

Cattails compressed into pellets or converted into alcohol could provide pollution-free, renewable energy. One acre of cattails can produce up to 225 million BTU's (British Thermal Unit equals 252 calories, the amount of heat needed to raise one pound of water one degree F.). Minnesota's four and one half million acres of wetlands planted with cattails could supply that state's entire energy needs, Mass. Audubon points out.

Summer Jobs

The Department is now accepting applications for summer employment. There is a wide variety of jobs available — lifeguards, playground instructors, concession stand workers, etc. Individuals may pick up application forms at the High School main office or at the DCS office.

Paddle Tennis Class Opening

There are several openings in both sessions of paddle tennis classes held on Friday mornings 9 to 10:30 a.m. and 10:30 a.m. to noon at the Phillips Academy courts. Individuals wanting to register for these classes may do so at the DCS office. Stowe School, 36 Bartlet St.

Volleyball Tournament

Registration forms are now available for this year's town-wide "fun" Volleyball Tournament. Competition will take place in a coed and men's division. Play is scheduled to begin on Monday, April 7. For further information individuals should pick up a registration form or contact the DCS office. Forms are available at the high school, the Sport Shop, the Hockey Shop and the Community Services office.

Elementary School Gym Meet

Registration forms for this year's Elementary School Gym Meet are now available at all Andover Elementary Schools and the DCS office, Stowe School, 36 Bartlet St. The registration deadline for this special event is Tuesday, March 18.

Backgammon Night

Backgammon enthusiasts are encouraged to participate in the "Backgammon Drop-in" held every Wednesday evening at the high School (Faculty Room) from 7 to 8:30 p.m. Players of all skill levels are invited to test their abilities and to share their knowledge of this popular game.

Table Tennis Tournament

Registration forms for this year's Table Tennis Tournament are now available at the DCS office, Andover Schools, the Hockey Shop, and the Sport Shop. This special event is scheduled for Saturday, April 12 at the West Junior High School Gymnasium and will offer competition for a variety of age groups at different skill levels. Deadline for submitting applications is Wednesday, April 9.

Open Gym — East Jr. High

There will be no open gym at the East Jr. High School on Friday, March 14. Open gym will resume at the regularly scheduled time on Wednesday, March 19.

Exercises For Expectant Mothers

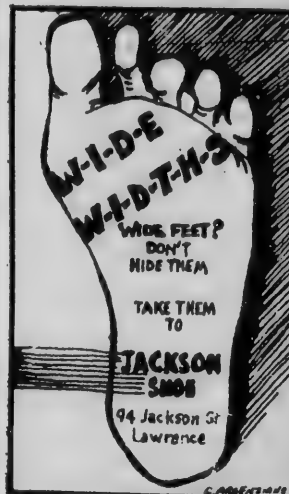

The Department will be offering a six week course entitled "Exercises for Expectant Mothers" beginning on Thursday, March 27. The program will be held at the Doherty Elementary School on Thursday evenings from 7:30-9:15 p.m. Designed to get women in shape before the baby is born, this course will help to improve body mechanics and strengthen the most important muscles involved in childbearing. The class will be instructed by Suzanne Scarpulla (R.P.T.) and Marianna Suzano. Individuals may register for this program at the DCS office, Stowe School, 36 Bartlet St., between 8:30 a.m. and 4:30 p.m. Monday through Friday.

Golf Lessons

Registrations for golf lessons at the Billy Max Golf School are now being accepted at the DCS office. Classes will begin on March 31 and continue one night a week for a six week period. Class times available are: 6 to 7:30 p.m. or 7:30 to 9 p.m. (week nights only). Individuals are encouraged to sign up early. Each class will have a limit of 15 students. For further information contact the DCS office.

In 17th century Holland, the passion for tulips was so great a single root of one plant sold for the equivalent of about \$1,500.

The road runner bird of cartoon fame gets its name from dashing along desert roads at a speed automobiles have clocked at 15 mph.

(Continued from Page 45)

the latter 10.

Chris Sapuppo flipped through 6 points, Larry Middleton 2 and Steve Veilleux 2.

Mike French also played well for St. Robert's, which opened a 16-7 halftime lead before trading buckets with South the last two quarters.

Scott Wilkins sparked the balanced South attack with 8 points, Jeff Penner scored 6, Rob Hendry 4, Scott Lattanzio 4, and Phil Stocking swished a first period free throw.

Other floor leaders for South were Stephane Kirkland and Scott Brink.

St. Robert's D, 13-6

St. Robert's D and West Parish C hooked up in a tight defensive struggle, with the victors inching ahead 2-0, 4-2 and 7-3 at the first three checkpoints.

Steve Rikeman paced St. Robert's with 5 points while Eileen Murphy, Greg Tormey, Chris Koch and Mike Convey contributed baskets.

Ricky Tesman and Mike Moynihan were defensive standouts.

Dave Cox, the most consistent player for West C down the stretch, tossed in 3 points, Mark Polakow 2 and Mike DiMeo one free throw in the finale.

Also playing well for West C were Michelle Belisle and Heather Paro.

Christ A, 24-8

Christ Church A used a balanced seven-player attack, and broke open a two-point game with a big third period enroute to its seventh triumph in 11 games.

The victors, who won their last three starts and four of the final five, were clinging to an 8-6 halftime advantage before escaping on a 9-2 run.

Andy Frost netted 8 points, including four in the third stanza, while Beau Jones

scored 4, Chris Jones 3, Andy Grant 3, Chris Scott 2, John Beardsley 2 and Adam Smith 2.

Dave Rourke led the St. Augustine E attack with 4 points, and single baskets were produced by John Moosa and Joe Hurley.

Other St. Augustine stalwarts were Billy Scanlon, Sean Derrah, Justin Fox, Ryan Murphy and Brendan Lynch.

Baptist, 16-2

Dave Hughes poured through all 10 of his points in the second half, as Baptist (6-5) broke a 2-2 tie enroute to its 16-2 victory over Ballardvale United A.

Tim MacDonald, who scored the lone Baptist bucket in the first two periods, closed with 4 points.

Jeff Ashworth stuffed a fourth quarter basket while Greg Mattes, Dave Sorrie, Wendy Williams, Dennis Gallant and Bobby Mattes were defensive standouts for Baptist.

Greg Baker's second period fieldgoal was the lone Ballardvale A tally.

Ricky Brouillard, Jeff Znamierowski, Cindy Connors and Steve Smith produced steady floor games for BU.

Oil Use Down

According to the Highway Users Federation, Americans used less gasoline in 1979 than in the previous year — an unprecedented event in a period unmarked by war, depression or Arab oil embargo. The organization estimates that Americans used 1.6 percent less fuel and drove 25 billion fewer miles than in 1978.

Christ B Edges St. Augustine's

57 THE TOWNSMAN, MARCH 13, 1980

Christ Church B closed their season undefeated and West Parish won a "sudden death" thriller to highlight action last week in the Andover Church Basketball League Junior Division.

Christ B stayed unbeaten with a narrow 23-21 triumph over St. Augustine A while West Parish sneaked past St. Augustine B, 11-10.

In other Junior games, St. Augustine C edged St. Robert A, 10-8, South Baptist toppled Ballardvale Uni.ed, 12-2, and St. Robert B trimmed St. Augustine D, 18-14. Christ Church A drew a bye.

West Parish, 11-10 (SD)

Scott Clementi banked in a free throw in "sudden death," snapping a 10-10 tie and carrying West Parish to a tight victory over St. Augustine B.

St. Augustine B enjoyed slim leads of 4-2, 6-4 and 10-6 at the first three check points, but a basket by Doug Bruk and two charity tosses by Clementi deadlocked the score in regulation play and sent the game into a two minute overtime period.

The teams went scoreless in OT setting the stage for Clementi's clutch foul shot. Bruk and Clementi finished the contest with 6 and 5 points respectively.

Kimberly Brown, Johanna Horn and Fred Newcomb were other standouts for West.

James Spinelli was the big gun for St. Augustine B with 6 points, while single buckets were scored by Jeff Brodie and Todd Lee.

Jeff Edwards, Brad Reghitto and Jimmy Edwards were defensive stalwarts for St. Augustine's.

St. Augustine C, 10-8

Todd McAllister popped in 7 points to pace St. Augustine C to its minor upset over St. Robert A.

St. Augustine C grabbed a 4-0 first quarter lead, had the margin cut to 5-4 at the half, increased it to 8-6 after three quarters, and then the teams traded points in the final stanza.

Peter Radulski with two important fourth quarter free throws and Stephen Surrette with a charity toss rounded out the offense for the victors.

Mike Harrison, Bob Antonucci and Brandon McCue also turned in strong efforts for St. Augustine's.

Tom Sheehan netted 6 points for St. Robert A, while Matt Gibson chipped in 2 markers.

Other leaders for St. Robert's were Dan Fay, Kevin Murphy, Mark Shwetz and Tim Melia.

South Baptist, 12-2

Chris Eggert and Steve Flanders combined talents for all 12 points, to boost South Baptist to a triumph over Ballardvale United.

Eggert pumped through 8 points while Flanders scored two second half buckets.

Jim Hendry, Robbie DiAdamo and Dana Orlando turned in fine floor games for the winners.

Jim Ward delivered the lone Ballardvale United basket, while Bartley Parker, Kim Lowe, Barbara Burke, Chris Lowe and Sean Cassidy also played well.

Christ B, 23-21

Christ B tied 14-14 at the half, made a 6-1 run in the third period, and then barely held on for a close victory over St. Augustine A.

Bart Kalkstein led four Christ B players in the scoring column with 12 points, while John Knowles added 5, Dave Lewis 4 and Dave Stark 2.

Scott Wallace was game-high for St. Augustine A with 14 points, including 10 in the first half, Matt Dufresne swished 3, and Mike Flynn and Sarah Leary scored second quarter field goals.

St. Robert B, 18-14

St. Robert B bolted to a 8-0 first quarter lead, withstood a second period rally by St. Augustine D that cut the gap to 10-6, and then the teams played evenly in the se-

cond half.

Six different players hit the point column for the victors, with Shawn Sullivan swishing 7 points, Jim Davis 4, Billy Martin 2, Jay Cheney 2, Jeff Masse 2,

and Kevin O'Brien hit a free throw.

Robbie Finneran powered the St. Augustine D offense with 8 points, Glen Fortin chipped in 4, and Mark Russell scored a solo bucket.

Budget

(Continued from Page One)

ministrator Pamela Kvillekeval noted that several families a year move into town because of the system's reputation for special needs programs.

Kvillekeval has spent much time developing programs to provide for youngsters within the system, Seifert said, and many have been moved back into the system from private placements as a result. But, he said, those cases have been offset by newcomers — two or three this year who moved in with educational plans calling for private placement in outside facilities.

Andover is required to pick up the tab, and School Committeeman Donald Robb called this a "perfect example of the state mandating a program" and then leaving the individual to pay.

Other Expenses

The school committee also okayed on first pass a \$38,000 budget for the school committee itself, up from \$28,000 this year. The increases provides \$2000 for inflation, \$3000 more for professional negotiations (up from \$15,000 this year) and another \$2,500 for public relations (up from \$500 to \$3,000) associated with redistricting and in-house printing of the annual report.

While the committee wants more information on computer rental, they approved on first pass a budget of \$81,500 for the administration for next year — an increase of \$23,500 more (from \$16,180 to \$34,680) for machine rental, services and contracts. Next year will be the first year the system has to bear all the maintenance costs for the computer.

The proposed administrative budget includes \$2,000 for out-of-state travel — the same as this year — but School Chairman Elaine Viehmann said she would be willing to put back \$1000 deleted in an economy move a couple of years ago. She said the \$2,000 is the only money allotted for out-of-state travel anywhere in the entire school system, and that the "town spends 10 times that much."

Building

(Continued from Page 31)

Doherty sitting there."

Furthermore, defeat of the bonding and advisory articles will not necessarily keep the Doherty open, Robb said. "A school will be closed anyway," he explained. Cole added that "an elementary school will be closed — we can't say which one."

If the articles are voted down, committee chairman Kenneth Gropper said, it would show that "there is no town support for the building program." In his opinion, he said, "this committee should then cease and desist, and return (the question) to the school committee."

Robb said several people have expressed to him their interest in attending a formal public presentation before town meeting to learn more about the building program.

Committee members agreed that such a meeting could help shorten the discussion time at town meeting, when the bonding and advisory articles will be the last two on the warrant.

"A pre-town meeting presentation, perhaps on the Monday before town meeting, could help familiarize people with what will be discussed," suggested Town Manager Jared S. A. Clark. It might be especially helpful for "doubting Thomases to review the program" before town meeting, Clark added.

Saying that the special presentation "makes a lot of sense," school building project coordinator Richard McGrail also offered to lead a public tour through East Jr. High, to show townspeople why building committee members call it "Old Crumbly."

McGrail said such a tour "has been asked for," and the committee members accepted his offer enthusiastically.

The committee devoted most of last week's meeting to developing an information sheet to be sent out with the warrant.

With a question-and-answer format, the sheet is intended to answer the questions most people have about the building

program, Cole said, such as, "Why can't we just fix up East Jr. High?"

The committee discussed the wording of the questions, which Cole had written, and then outlined the points they wanted to make in the "short and sweet" answers.

The actual answers were to be written by Cole, Gropper and Robb last weekend.

Building

(Continued from Page 58)

The building program calls for converting Doherty school into a junior high school, to replace East Jr. High; renovating West Jr. High, including a 5000 sq. ft. addition and renovating the high school, including the addition; of an auditorium.

Among the major points discussed by the committee:

- Although declining enrollments necessitate the closing of one elementary school, improvements are needed at the secondary schools.

- The physical condition of East Jr. High is substandard, and its educational deficiencies great enough that it would be cost inefficient to renovate; furthermore, the state would not share the cost of renovating.

- A new wing will be added to Doherty School to convert it into a junior high, while Memorial Auditorium will be renovated and used as part of the converted Doherty.

- The building program will make all school buildings, except Shawsheen, accessible to the handicapped, as mandated by federal and state laws. (The Bancroft School will have handicapped access by the time the building program is complete, Clark said, although it is not part of the program.)

- At the high school, physical education facilities for male and female students will be equalized, the industrial arts area will be expanded, special education facilities will be improved, the Instructional Materials Center (library) will be expanded, and a new auditorium will be added.

- A new high school auditorium will increase student opportunities for art, music and drama, will allow educational programs to be presented to the whole student body, will allow opportunities for team teaching, and will also be available for community use.

- At West Jr. High, special education facilities will be improved, handicapped access will be added, and the I.M.C. will be improved.

- If the bonding question is defeated at town meeting, the committee will return to a later town meeting with another bonding question.

ding question.

The committee's actual town meeting presentation will be fairly brief, Gropper said, because "long presentations put me to sleep. If we allow most of the time for give-and-take, and are well prepared with our answers, we'll get a better response."

Sable Fur

Sable fur varies from black to bright yellow, but usually it is dark brown. The "golden fleece" that Jason brought from Colchis (between the Black and Caspian Seas) to Greece may have been sable fur, Mass. Audubon tells us.

LEGAL NOTICE

On March 1, 1980, the Trustees of Phillips Academy tendered an application to the Federal Communications Commission seeking a Construction Permit to increase the facilities of non-commercial FM station WPAA at Andover, Massachusetts. WPAA presently operates with class D facilities on 91.7 MHz. The applicant proposes to operate as a class A facility on 91.7 MHz with an effective radiated power of .010 kw. The proposed station will operate from an antenna structure 57 feet above ground level at Andover, Massachusetts in Essex County.

The studios will be at Evans Hall, Science Building on Highplain Road. A copy of the application together with a complete list of the applicant's officers and governing board is on file for public inspection during normal business hours at station WPAA.

Stress Makes Strength

It has long been known that in times of extreme stress, the human body is capable of feats of unbelievable strength. This was documented in 1960 by a 123-pound woman in Tampa, Fla., Mrs. Maxwell Rogers lifted one end of a 3,600-pound car after it had fallen on top of her son, when the jack holding up the car slipped. She suffered only a few cracked vertebrae as a result of her efforts.

Elm Street Automotive — Towing, Repair, Road Service

If you need repair work done on your family automobiles to pass spring inspection, make your appointment now with Elm Street Automotive, 15 Elm Street, just off the square in Andover. The experienced mechanics at Elm Street Automotive will put your cars in tip-top shape, making them safe for your family members to drive.

Make your appointment early and avoid the rush as inspection dead-line draws near. Elm Street Automotive can align that front end that has been taking a beating on winter potholes, take off snow tires, replace headlights and/or tail lights, solve electrical problems, do brake work. They have a good supply of tires in

stock for all model cars, so if you need new tires, they can put them right on at the same time.

When you need road service or towing for any reason, call Elm Street Automotive at 475-5873; or nights and holidays at 683-2712. Elm Street Automotive offers complete AAA service within minutes of your phone call. They have four wreckers standing by ready to answer any call for towing or road service. In addition, they have a flat bed carrier for special towing jobs. That's right, Elm Street Automotive, in the square in Andover, has the equipment to handle any vehicle on the road today, passenger car or truck.

The experienced mechanics at

Elm Street Automotive do major and minor repair work on all makes and models of cars. Foreign car work is their specialty. Owner Ron Abraham, Leo Lynch, Richard Zeytoonian, Danny Dudley, John Dudek and Harry Krikorian combine to offer you many years of automotive experience.

They guarantee satisfaction on all repair work. As a convenience to customers, they will pick up and deliver repair work, if necessary. Get acquainted with Elm Street Automotive soon. You will like the quality of their work, their service and their prices. Master Charge, VISA and Texaco credit cards accepted.

COMMUNITY DEVELOPMENT AND PLANNING

In accordance with Chapter 40 G.L., Section 5, notice is hereby given that the Andover Planning Board will hold a Public Hearing Tuesday, March 25, 1980, 11 Essex Street, second floor, at 8:00 P.M. to consider the following amendments to the Zoning Bylaw:

ARTICLE —

To see if the Town will vote to amend the Zoning Bylaw, Section VI.E.1.2 (Soil Removal Incidental to Development and Construction) by adding the following to Paragraph a:

In addition, as part of and set forth in such approval shall be the restrictions and considerations as set forth in Section VI.E.1.1c above.

ARTICLE —

To see if the Town will vote to amend the Zoning Bylaw, Section IV.B. (Table of Use Regulations) by deleting item 34A in its entirety and inserting the following therefor:

SRASRBSCAPT SC OP GB IG IA ID
N N N N N N N N BS BS

34A. General removal of soil, loam, sand, gravel or peat subject to the provisions of Sec. VI. E.1.1

ARTICLE —

To see if the Town will vote to amend the Zoning Bylaw, Section IV.B. (Table of Use Regulations) by inserting the following Subsection 42A:

SRASRBSCAPT SC OP GB IG IA ID
BA BA BA N N N N N N N

42A. Kennel for the keeping of four (4) or more dogs over the age of six (6) months for the purposes of hunting, exhibiting, dog shows, field and obedience trials or as pets.

ARTICLE —

To see if the Town will vote to amend the Zoning By-Laws, Section V.A. (Dimensional Requirements) by striking out the number '15' as it describes the minimum side yard depth requirements for the Single Residence Districts B and C and inserting the number 20 therefor. The provision of this Zoning By-Law amendment shall not apply to those lots approved prior to the adoption of this amendment pursuant to the provisions of M.G.L. Chapters 40A and 41 and the Rules and Regulations governing the Subdivision of Land in the Town of Andover.

ARTICLE —

To see if the Town will vote to amend the Zoning By-Laws, Section V.B.2.d. (Exceptions and Special Requirements — yards) by adding the following:

In addition, one minimum side yard depth requirement and one minimum rear yard depth requirement shall be applicable to the lot and determined at the time of Building Permit issuance. The provision of this Zoning By-Law amendment shall not apply to those lots approved prior to the adoption of this amendment pursuant to the provisions of M.G.L. Chapters 40A and 41 and the Rules and Regulations governing the Subdivision of Land in the Town of Andover.

ARTICLE —

To see if the Town will vote to amend the Zoning By-Law, Section VI.D.1. (Cluster Development — Dimensional Requirements) by deleting Item 'd' in its entirety and inserting the following therefor:

d. All lots on existing town or public ways or lots abutting proposed 'major' streets of the development (see Subdivision Rules and Regulations) shall conform to the frontage and area requirements of the zoning district in which the development lies. The provision of this Zoning By-Law amendment shall not apply to those lots approved prior to the adoption of this amendment pursuant to the provisions of M.G.L. Chapters 40A and 41 and the Rules and Regulations governing the Subdivision of Land in the Town of Andover.

ARTICLE —

To see if the Town will vote to amend the Zoning By-Laws Section VI. (Other Requirements) by adding a subsection 'N' entitled Historic District to read as follows:

L. Historic District

1. Designation. An Historic District shall be that

area or location so designated in the listing of the National Register of Historic Places promulgated by the U. S. Department of the Interior and on file with the Town Clerk and the Department of Community Development and Planning.

2. Regulations. A Special Permit for all new construction and substantial improvements (repair, reconstruction or alteration costing 50% or more of the market value of the structure before improvement or, if damaged, before damage occurred) may be granted by the Zoning Board of Appeals for all Principal Uses, Other Main Uses and Accessory Uses in districts where authorized by Section IV.B. (Table of Use Regulations) subject to the following requirements:

(a) This By-Law shall not apply to a detached one-family dwelling located on a single lot in a Single Residence District. In addition, this By-Law shall not apply to substantial improvements which do not alter the building exterior.

(b) Any development within the Historic District shall be subject to all otherwise applicable requirements of the underlying zoning district in which it is located, including usual use and dimensional requirements.

(c) The criteria of Section VIII. C. (Special Permits) of the Zoning By-Law shall be met.

ARTICLE —

To see if the Town will vote to amend the Zoning Bylaw Section II (Definitions) by adding the following item #6A.:

6A. Earth Material: Soil, loam, sand, gravel, rock, and other naturally-occurring materials found in or upon the ground.

To see if the Town will vote to amend the Zoning Bylaw Section VI (Other Requirements) by striking out Subsection E (Removal of Material) in its entirety and replacing the following therefor:

E. Removal of Earth Material

No person shall remove from any parcel of land, earth material except from land in public use or public ownership, for purposes which are not in conformity with the intent and purposes of this bylaw. The removal of earth material shall be in accordance with one of the following procedures:

1.1 General Permit

a. For commercial earth material removal operations, a Special Permit must be obtained from the Board of Selectmen, after a Public Hearing, at which time all interested persons shall be given an opportunity to be heard. The time and place of this Public Hearing shall be published in a newspaper of general circulation in the Town and Parties in Interest shall be notified pursuant to the provisions of M.G.L. Chapter 40A, Section 11, all at the Applicant's expense.

b. Before granting a Special Permit, the Board of Selectmen shall give due consideration to the location of the place from which it is proposed to remove earth material, to the general character of the neighborhood surrounding such location and to the effect of the proposed removal on such neighborhood, to the amount of noise, dust and vibration likely to result from the proposed removal, to the extent depth and contour of the location and surrounding neighborhood from which such removal is proposed, to the general safety of the public on the public ways giving access to and in the immediate vicinity of such location and to the use to which such location has been put prior to the application for a Permit. A determination shall be made as to the existence of any other gravel pit in the close vicinity of the proposed location, the existence of which shall normally be considered an inhibiting factor in granting the proposed Permit. No Permit granted by the Board of Selectmen shall be valid for a period in excess of three years from its date of issue.

c. As part of and set forth in such Permit shall be the restriction forbidding excavation to a depth below the mean grade of an adjacent serving street, in the immediate vicinity of the street. No excavation shall be such as to alter the direction of a watercourse or to cause surface waters to gather as in a sump or swale. In addition, the Selectmen shall impose and set forth in the Permit such other restrictions and conditions as they deem reasonable and in the public interest, including but not limited to the following:

1. the duration of time during which the Permit may be exercised;

2. the extent, depth and contour of the area of

removal;

3. the grade of the slope of the banks of the area of removal;

4. the proximity of such operations to any public way;

5. the hours of the day during which such operations may be permitted;

6. the hours of the day during which vehicles may be loaded with earth material, and during which such loaded vehicles may be permitted to leave such location;

7. the use of covers over the earth material loaded in vehicles for removal from the area;

8. the shoring and reinforcement of the banks of any excavation;

9. the placement of top soil and the replanting of the area of removal and screening the same from public view;

10. requirements for the control of dust and other airborne material;

11. requirements for the control of erosion and sedimentation;

12. requirements for the control of access to the site; and

13. requirements for the control of drainage and stormwater runoff.

1.2 Earth Material Removal Incidental to Development and Construction

a. When, in the opinion of the Planning Board, it is deemed necessary to remove earth material from the site of a proposed subdivision, the Board shall approve a Definitive Plan with appurtenant Profiles and Topographic Plans and shall impose such conditions and restrictions deemed appropriate by the Board, consistent with the provisions of Section VI.E.1.1.c. Such earth material removal from the site of a Proposed Subdivision must be incidental to the preparation of proposed roads or ways and may be removed solely from the proposed roads or ways down to the grades approved on the Definitive Plan. In addition, the Board may approve earth material removal from the site in an aggregate amount not to exceed five hundred (500) cubic yards per lot if removal is deemed necessary by the Board for the subdivision to comply with the Design Requirements of the Board of Health and/or the Planning Board. In these circumstances, sufficient loam must be retained on the subdivision site for regrading to a minimum depth of six inches over the subsoil. As above, the Board shall impose such conditions and restrictions as deemed appropriate, consistent with the provisions of Section VI. E.1.1.c.

b. When, in the opinion of the Building Inspector, it is deemed necessary to remove earth material from the site of a proposed building, the Building Inspector shall issue a Building Permit with appurtenant Topographic Plans and shall impose such conditions and restrictions deemed appropriate by the Inspector, consistent with the provisions of Section VI.E.1.1.c. Such earth material removal from the site must be incidental to the preparation of the building site and may be removed solely from the area of the building, the driveways, the parking areas, and areas where removal is specifically required by the Board of Health in connection with disposal systems. Where special circumstances exist, the Building Inspector may approve earth material removal pursuant to the provisions of Section VI. E. 1.3 below. In all cases, sufficient loam shall be retained on the site for regrading to a minimum depth of six inches over the subsoil.

1.3 Miscellaneous Removal of Earth Material

Miscellaneous removal of earth material not addressed under the provisions of Section VI.E.1.1 or 1.2 above may be permitted if the Town determines that the removal is necessary and incidental to the improvement of the property from which the removal is to take place, and provided that the removal is in accordance with the express intent and purposes of the provisions of this Bylaw. Removal of aggregate amounts of less than fifty (50) cubic yards of earth material from any lot in any one year requires no prior permit or approval. Removal of earth material in quantities in excess of fifty (50) cubic yards but less than two hundred (200) cubic yards per lot per year may be permitted only after a topographic plan is submitted and application is made to the Building Inspector for a Miscellaneous Earth Material Removal Permit. The Building Inspector, with the concurrence of the Town Engineer, may issue such a Permit. The Permit shall designate the quantity of earth material permitted to be removed, the purpose of the removal, the location of the site of removal, and the location of the site of disposal.

LEGAL NOTICES

(Continued from Page 62)

The Permit shall also specify that upon completion of the removal, exposed subsoil shall be regraded and covered with loam to a minimum depth of six inches. Except where the removal under this Subsection 1.3 is permitted in connection with the formation or enlargement of a pond, removal shall not be permitted below the mean grade of the street or road serving the property. In no case shall the removal be permitted so as to change the direction of flow of a watercourse or to cause surface waters to gather as in a sump or swale. Pits for burying large rocks, stumps, or other spoil material shall be immediately backfilled for safety reasons. In addition, the Building Inspector shall impose such conditions and restrictions as he and the Town Engineer deem appropriate, consistent with the provisions of Section VI.E.1.1.c.

COMMONWEALTH OF MASSACHUSETTS PROBATE COURT

No. 310211

Essex, ss.

NOTICE OF FIDUCIARY'S ACCOUNT

To all persons interested in the estate of CHARLES RUSSELL LAWTON late of Andover, in said County, deceased.

You are hereby notified pursuant to Mass. R. Civ. P. Rule 72 that the fourth to seventh accounts inclusive of MAUREEN H. LAWTON and RALPH R. BAGLEY as Trustees (the fiduciary) under the will of said deceased for the benefit of SUSAN H. LAWTON AND OTHERS have been presented to said Court for allowance.

If you desire to preserve your right to file an objection to said accounts, you or your attorney must file a written appearance in said Court at Salem on or before the Seventh day of April, 1980, the return day of this citation. You may upon written request by registered or certified mail to the fiduciary, or to the attorney for the fiduciary, obtain without cost a copy of said account. If you desire to object to any item of said account, you must, in addition to filing a written appearance as aforesaid, file within thirty days after said return day or within such other time as the Court upon motion may order a written statement of each such item together with the grounds for each objection thereto, a copy to be served upon the fiduciary pursuant to Mass. R. Civ. P. Rule 5.

Witness, ALBERT P. PETTORUTO, Esquire, First Judge of said Court, this fifth day of March 1980.

Real Estate

By DOUGLAS N. HOWE

REALTOR

EMINENT DOMAIN

A home may be a man's castle, but even the king of his castle has little clout if his property is needed for public use — be it urban renewal, schools or public highways. The process is known as eminent domain. It is the power built into the federal and all state constitutions to take private property for public use upon payment of "just compensation" which has been interpreted by the courts to mean "fair market value."

Your land is deemed to be taken even though you may not be physically deprived of it. It is a taking if you are simply deprived of the normal use of your property. Only the

amount of the property which is necessary for the intended public use may be taken away from you. If there is only a partial taking, you are entitled to the difference between the fair market value of your whole property before the partial taking and the fair market value of the remaining part of your land after the taking. We can help you determine that difference. Phone us.

If there is anything we can do to help you in the field of real estate, please phone or drop in at THE HOWE AGENCY, 4 Punchard Ave., Andover. Phone: 475-5100. We're here to help.

Candidates Night Is Tuesday

The time for Andover's Candidates' Night is set for Tuesday, March 18, at 7:30 p.m. in the auditorium of West Elementary School.

Candidates' Night is an annual event presented as a service to the community by the Andover League of Women Voters. The candidates will be asked to respond to one question received in advance, before questions will be opened to the floor.

Candidates for School Committee are Donald Robb, Richard Neal, and Joseph Baglio. Their question is: What steps would you take to address these issues at the high school? a) Pending Accreditation b) Need for and size of Auditorium c) Leveling system d) Drug and alcohol use.

Candidates for selectman include Dr. Randolph Lehman-Becker, Edward Harris and Gerald Silverman. Their ques-

tion is: What is your comprehensive plan for the Acquisition/Disposal/Reuse of these buildings? a) East Junior High b) Town Hall c) Ballardvale Community Center d) Recreation Park Lodge.

The positions of town moderator and the

housing authority are uncontested. Those candidates will be introduced. They are James Doherty and Richard Savraan respectively.

Moderator for the evening will be league president, Joyce Robinson. All citizens are urged to come and participate in grassroots government. Refreshments will be served.

School Board

(Continued from Page One)

there for years. We're just beginning to articulate them."

Among the requests were \$20,000 for the gifted and talented program (up from \$15,000 this year); an increase of \$30,000 in language arts (from \$59,999 to \$92,573) to replace reading books and materials in the second grade (first grade was replaced this year), vocabulary materials for fourth through ninth grades, American literature texts at the high school and the like; a \$23,000 increase in the math budget (from \$26,906 to \$50,779) to replace worn-out IMS materials at Sanborn and West Elementary schools and replace the basic math text used in the eighth grade; and an increase of nearly \$15,000 (from \$20,903 to \$35,000) for new emphasis, to institute such projects as this year's Class Pals at Sanborn, an archaeological dig at the junior high and publication of a book of student writing and art at each school.

Finn said the lesser amount still allowed

them a 20 percent increase above last year's appropriations, bringing some accounts back up to where they were before last year and allowing for inflation.

Refund Delays

A tax refund can be delayed if the address or Social Security number recorded on your return is incorrect or missing, Herbert B. Mosher, district director for IRS in Massachusetts, says.

To avoid errors in the identification blocks of the tax return, use the peel-off label that comes with every tax package. Name, address and social security number are preprinted on it.

Exhibit On Scouting

Brooksby Association of Peabody will present a Girl Scout Exhibit at the Northshore Shopping Center in Peabody on Saturday, March 15, from 10 a.m. to 9:30 p.m. The theme will be "Girl Scouting — Where the Future Begins."

March 9 through 15 is Girl Scout Week and more than three million Girls Scouts and adult volunteers will be celebrating the 68th anniversary of Girl Scouting in the United States.
